ATTACHMENT 5-B Supplement No. 3: **Exceptions to Contract Terms & Conditions**

Section 2-C: Special Terms & Conditions									
2C	Exception: Add to Section 2-C: As to purchase of Oracle product, the inclusion of the Oracle Public Sector Supplemental Public Sector License and Technical Support Terms and Conditions and Supplemental Public Sector Oracle Cloud Services Terms and Conditions are required to be included. The Oracle terms and conditions will take precedence in matters relating to Oracle. Rationale: Required by Oracle.		Unacceptable. State's may negotiate these terms in their PAs but allowing each Publisher to modify the Master Agreement would open the door for potentially endless negotiations and the potential perception of preferential treatment to specific Publishers.	Per feedback we received from Oracle, denying inclusion of the Oracle supplemental terms and conditions in the master agreement eliminates some of the efficiencies gained through award of the master agreement, and it places additional burden on the participating entities. The request is to be able to negotiate this language with the State of Arizona for inclusion in the master agreement since Oracle is called out as a separate category.	The State understands that Oracle may withdraw this Exception at the Master Level, please confirm.	Confirmed. Per feedback we received from Oracle on 9/2/21, this exception is withdrawn. The Oracle supplemental terms and conditions will be negotiated at the PA level, not at the Master Agreement level.			
3.1	Exception: Add to Section 3.1: All parties acknowledge that Oracle Software Update License and Support and Cloud Services are provided from global locations. Rationale: Required by Oracle.		(State believes this refers to Section 3.11, not 3.1) Unacceptable. On a state-by-state basis, state's can negotiate exceptions to this language in their respective PAs.	Insight confirms this exception was meant to reference Section 3.11 instead of 3.1. Per feedback we received from Oracle, the proposed language is simply a statement of fact. Perhaps it could be better added as a clarifying statement rather than as an exception.	The State understands that Oracle may withdraw this Exception at the Master Level, please confirm.	Confirmed. Per feedback we received from Oracle on 9/2/21, this exception is withdrawn. The Oracle supplemental terms and conditions will be negotiated at the PA level, not at the Master Agreement level.			
3.13(e)	Exception: Specific to the Oracle Category, deletion as indicated to the right. Some reports delivered may be "confidential". Rationale: Required by Oracle. Protection of Contractor's confidential data.	e. Timely submission of these reports is a material requirement of the Master Agreement. The recipient of the reports shall have exclusive ownership of the media containing the reports. The Lead State and NASPO ValuePoint shall have a perpetual, irrevocable, non-exclusive, royalty-free, transferable right to display, modify, copy, and otherwise use reports, data and information provided under this section.	Unacceptable. State's may negotiate these terms in their PAs but allowing each Publisher to modify the Master Agreement would open the door for potentially endless negotiations and the potential perception of preferential treatment to specific Publishers.	Per feedback we received from Oracle, this speaks specifically to the rights of the Lead State and NASPO ValuePoint. The participating entities do not have the ability to change the rights granted to the Lead State or NASPO ValuePoint. The request is to be able to negotiate this language with the State of Arizona for inclusion in the master agreement since Oracle is called out as a separate category.	The State understands that Oracle may withdraw this Exception at the Master Level, please confirm.	Confirmed. Per feedback we received from Oracle on 9/2/21, this exception is withdrawn. The original language in Paragraph 3.13(e) is accepted as is.			
14.10	Exception: Add to Section 14.1: The extent to which an Oracle product is, prior to any customizations, capable of providing comparable access to individuals with disabilities consistent with the applicable provisions of the Architectural and Transportation Barriers Compliance Board standards set out in 36 CFR Part 1194 (known as 'Section 508'), effective as of June, 2001, or the Revised version in Appendix A (known as 'Revised Section 508') effective as of January, 2018 and the Web Content Accessibility Guidelines (WCAG) version 2.0 level AA, is indicated by the dependencies, comments and exceptions (some of which may be significant, if any) noted on the applicable Voluntary Product Accessibility Templates (VPAT) available at www.oracle.com/accessibility for each product, when they are used in accordance with Oracle's associated documents and other written information, and provided that any assistive technologies and any other products used with them properly interoperate with them. In the event that no VPAT is available for a particular Oracle product, please contact the Oracle Accessibility Program Office at accessible_vw@oracle.com. In some cases, the outcome may be that a product is still being evaluated for accessibility, may be scheduled to meet accessibility standards in a future release, or may not be scheduled to meet accessibility standards at all. Oracle Support customers with disabilities may use the online My Oracle Support or call Oracle Support at 1.800.223.4711. Hearing-impaired customers in the U.S. who wish to speak to an Oracle Support representative may use a telecommunications relay service (TRS). Information about the TRS is available at http://www.fcc.gov/cgb/consumerfacts/trs.html , and a list of telephone numbers is available at http://www.fcc.gov/cgb/dro/trsphonebk.html . International hearing-impaired customers should use the TRS at +1.605.224.1837. Oracle Support will respond to product accessibility issues according to the current Technical Support Policies. No other terms, conditions, statements or any other such representations regarding or related to accessibility shall apply to the Oracle products provided under this agreement. Oracle cannot make any commitments about future product directions, including plans to address accessibility or the availability of VPATs. Product direction remains at the sole discretion of Oracle. X Rationale: Required by Oracle.		Unacceptable. The State will consider exceptions to its Terms and Conditions but not the introduction of entirely new Terms and Conditions and will not accept URLs, as these may be modified from time to time without the State's knowledge.	Per feedback we received from Oracle, the proposed language will be required for every single PA and is also a statement of fact. As with the Oracle supplemental terms and conditions, denying inclusion of the language in the master agreement eliminates some of the efficiencies gained through award of the master agreement, and it places additional burden on the participating entities. Additionally, throughout the term of the master agreement there will likely be many changes to the products and services available. This language ensures participating entities will have the most up to date information about the extent to which Oracle products are capable of providing comparable access to individuals with disabilities consistent with the applicable provisions known as 'Section 508'. The request is to be able to negotiate this language with the State of Arizona for inclusion in the master agreement since Oracle is called out as a separate category.	State Accepts	Acknowledged.

SECTION 2A: Scope of Work

1.0 Introduction, Purpose, and Background

1.1 Introduction, Purpose, and Background –

The State of Arizona, State Procurement Office (SPO), is requesting proposals for Software Value-Added Reseller (Reseller) services in furtherance of the NASPO ValuePoint Cooperative Purchasing Program (NASPO ValuePoint). The purpose of this Solicitation (RFP or Solicitation) is to establish Master Agreements with qualified Resellers so that eligible entities may acquire Software and related services from Software Value-Added Resellers.

This RFP seeks offers that can provide better value, and in some cases achieve more favorable pricing, than is obtainable by an individual state or local government entity because of the collective volume of potential purchases by numerous state and local government entities. More specifically, this RFP expects offerors to provide a full range of Reseller services and service options to support Purchasing Entities' COTS and SaaS-based software needs. The RFP shall be broken up into three award categories: General Software, Microsoft Software, and Oracle Software. For each of these categories, services related to the software purchase, including but not limited to installation, configuration, maintenance, and advisory services may be offered.

1.4 Purchasing Entities

In addition to the Lead State conducting this RFP, the states listed in Exhibit 1 (One) have signed an Intent to Participate (ITP) document to be named in this Solicitation as potential Participating Entities of the resulting Master Agreement (MPA). Any state that indicates an Intent to Participate are not obligated to either participate

	<h2 style="margin: 0;">Request for Proposal</h2> <p style="margin: 0;">Solicitation No. BPM002338 Description: Software Value-Added Reseller</p>	<p style="margin: 0;">Arizona Department of Administration State Procurement Office 100 N 15th Ave., Suite 402 Phoenix, AZ 85007</p>

or enter into any contractual relationship with the selected responders. Other eligible entities, including other states, may become Participating Entities after award of the MPA through execution of a Participating Addendum (PA).

A Participating Addendum may include Participating Entity-specific terms and conditions not included in the Master Agreement. Some of these terms and conditions may be provided to the vendors in the RFP (see Exhibit 2 (Two)) as an informational item only, to give vendors an idea of the terms they might be expected to abide by or negotiate during the PA process.

Except to the extent modified by a Participating Addendum, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and shall have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement, including but not limited to, any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity shall be responsible for its own charges, fees, and liabilities. The Reseller shall apply the charges and invoice each Purchasing Entity individually.

1.5 Historical Usage

Exhibit 3 (Three) contains the usage data in terms of total sales for all contractors from the current set of contracts for Calendar Years 2016, 2017, 2018, and 2019. No minimum or maximum level of sales volume is guaranteed or implied.

2.0 SCOPE OF WORK

2.1 Software Publishers, Categories. The identified software product needs under this solicitation have been divided into three mutually-exclusive categories:

Category I – General software: This category includes all software titles **except** Microsoft and Oracle. Category I has been further sub-divided into three tiers:

- **Tier 1** – Key Itemized Publishers
- **Tier 2** – Other Itemized Publishers
- **Tier 3** – Non-Itemized Publishers

Category II – Microsoft-only software, and

Category III – Oracle-only software.

See descriptions and chart which follow. As indicated, it is most desirable for Reseller to have a direct reseller agreement with the itemized software Publishers. If a direct reseller agreement is not already in place between itemized software Publishers and the Reseller, the Reseller is expected to enter into a direct reseller agreement and submit a rate for that Itemized Publisher that is better than the rate for a Non-Itemized Publisher. Over the life of this contract, product needs or volumes may change and new Publishers may be added by amendment to the Itemized Publishers’ lists.

2.1.1 Category 1 – General Software Resellers

2.1.1.1 *Tier 1 – Key Itemized Publishers:* The products of the Publishers in this tier represent the highest tier of sales volume outside of the two (2) Publisher Specific Categories. This tier is the one most likely to include a Participating Entity’s enterprise or high-volume agreements with a Publisher. Resellers shall be a certified direct resellers for Publishers in this category, except in the case where certain Publishers do not sell directly through Resellers. The preferred pricing that a Reseller receives based on their reseller certification status, in conjunction with the anticipated considerable volume of purchases through these Contracts, is the expected foundation for a very competitive base Reseller Cost, with further reductions of Reseller Cost as they are achieved through ongoing Reseller negotiations. If a Reseller’s proposal includes the General Category, the Reseller must be able to resell, and must provide pricing for each Tier 1 Itemized Publisher (see Pricing Sheet). Specific requirements may be required for some Publishers in this category in an individual Participating Entity’s PA.

2.1.1.2 *Tier 2 - Other Itemized Publishers:* The products of the Publishers in this category represent a high level of sales volume as identified for this solicitation. This category may include a Participating Entity’s high-

volume agreements or VLAs with a Publisher. It is desirable for Resellers to be certified direct resellers for Publishers in this category. If a Reseller’s proposal includes the General Category, the Reseller must be able to resell, and must provide pricing for, each Tier 2 Itemized Publisher (see Pricing Sheet). Specific requirements may be required for some Publishers in this category in an individual Participating Entity’s PA.

2.1.1.3 Tier 3 - Non-Itemized Publishers (all other distributed software purchases). This category is defined to include all other distributed computer software Publishers not specifically itemized. New or existing software products can be added to this category at any time during the term of the Contract without the written consent of the LSCA, provided the offerings, including pricing and terms, meet the requirements of the Contract, and may be itemized in the online catalog, if volume justifies the addition. If a Reseller’s proposal includes the General Category, the Reseller must provide pricing applicable to all Non-Itemized Publishers resold by the Reseller. Specific requirements may be required for some Publishers in this category in an individual Participating Entity’s PA.

shall advise the LSCA or designee of any Software Publishers with whom the Reseller was unable to enter into a reseller certification following negotiations.

Expanded Representation. The Reseller is expected to continue to work towards reseller certifications with Publishers not currently represented, particularly with those Publishers whose sales volume merit classification into the Itemized Publisher lines. Similarly, Reseller is expected to continue to work towards a higher certification level with current Publishers

2.2 Category 1 - Software Value-Added Reseller ('Reseller' – "SVAR") – All Publishers Excluding Microsoft and Oracle Software

2.2.1 Software Value-Added Reseller ('Reseller" or "SVAR") shall be a large account reseller, with a national presence, authorized to sell products direct from software Publishers or authorized distributors.

2.2.2 **SOFTWARE PRODUCTS**, including Software as a Service (SaaS)

2.2.2.1 Out of Scope Products - Non-SaaS cloud computing products such as Infrastructure as a Service ("IaaS"), Platform as a Service ("PaaS"), and Software provided by a Managed Services Provider are generally out of scope of this Contract. IaaS shall be allowable **only** as an incidental product when 1) SaaS is the primary and predominate title being purchased, and 2) the limited and incidental licensing of the publisher's IaaS is essential to the successful and efficient implementation and or deployment of the SaaS software. This determination should be made by the purchasing entity in advance of any IaaS purchase.

2.2.2.2 Most Current Version - Purchase orders shall be deemed to reference a manufacturer's most recent release model or version of the product at the time of the order, unless the Purchasing Entity specifically requests in writing an earlier model or version and the Reseller is willing to provide such model or version.

2.2.2.3 Licenses and Maintenance Agreements - The Reseller shall honor existing Purchasing Entities' Volume License Agreements (VLA's) or Enterprise License Agreements (ELA's) with Publishers and include those licenses as part of the Reseller's license tracking service. Following an executed PA with a Purchasing Entity, and if so required by the Purchasing Entity and/or an individual Publisher, the Reseller shall identify itself to software Publishers as Reseller for that Purchasing Entity. If so required by the Publisher and Purchasing Entity, the Reseller shall execute a change of channel partner agreement with the Publisher. Resellers shall sell additional seats consistent with Purchasing Entities' VLAs or ELAs. Reseller shall work with Participating Entities, Purchasing

Entities and Publishers as needed to establish new VLAs or ELAs. The Reseller shall work with the Publisher and Purchasing Entities as necessary to ensure the Purchasing Entity receives timely and pertinent license information, such as: license or agreement renewals, and opportunities based on actual volume.

Reseller shall work directly with Purchasing Entities in establishing, signing and maintaining enrollment agreements. If a Reseller is the sole Reseller in a State, the Reseller shall aggregate all enrollments together for Master Agreement reporting purposes. If a Participating Entity elects to have multiple SVAR contractors, Reseller’s responsibilities shall be delineated in that State or Entity’s PA. Resellers shall monitor and be able to report on the current levels of software ordered towards any of the Purchasing Entities’ VLA-required sales levels to ensure the Purchasing Entity does not fall short and thereby incur Publisher penalties. The Reseller shall be responsible for providing license usage information to the Publishers, if such information is required by the Publishers, in a timely manner (e.g., for ‘true up’ assessments)

2.2.2.4 Subscription-based Software Licenses. Purchasing Entities can purchase monthly or annual licenses or subscriptions through the Reseller, which provides access to and use of the software during the subscription term

2.2.2.5 Individual Software Licenses. Purchasing Entities can purchase individual COTS licenses, such as perpetual and non-perpetual licenses, through the Reseller.

2.2.2.6 Software Maintenance and Support Agreements.

Purchasing Entities can purchase maintenance agreements, including upgrade protection, through the Reseller. Resellers shall sell software maintenance agreements, even if the software was not purchased under this agreement, such as on-going support for a User’s existing perpetual license. As requested, Reseller shall explain what product support or services are included in a Publisher’s maintenance agreement.

2.2.2.7 Software Maintenance and Support. Reseller to provide needed services to support maintenance products such as maintenance agreements, software upgrades, annual updates, patches and fixes needed to improve functionality and keep the software in working order. 2.2.2.8 Software Updates. Resellers shall ensure Users are eligible to receive, from the Publisher, all new releases and updates of the software, at no additional charge, while under a maintenance agreement at the time such releases and updates are released to any customers of the Publisher.. A “Release” means any collection of enhancements or updates which the Publisher generally makes available to its installed base of customers of such programs. The Reseller shall assist the Purchasing Entity to obtain such releases or updates for their Users from the Publisher.

Should a User not want to receive the next update, the User shall so notify the respective Publisher.

2.2.2.9 Leases

Lease purchase and term leases are allowable only for Purchasing Entities whose rules and regulations permit leasing of software. Individual Purchasing Entities may enter into a lease agreement for the products covered in this Master Agreement, if they have the legal authority to enter into these types of agreements without going through a competitive process and if the applicable Pas permit leasing. No lease agreements shall be reviewed or evaluated as part of this RFP evaluation process.

2.2.3 VALUE-ADDED SERVICES – MANDATORY BASIC SERVICES: Reseller shall provide the following Basic Services at no additional charge:

2.2.3.1 Provide Software Products, including COTS, Software as a Service (SaaS), and Related Services

2.2.3.2 Honor existing Volume or Enterprise license agreements held by the Purchasing Entity.

2.2.3.3 Retain or enhance Reseller certifications with software Publishers - At a minimum, maintain Reseller certification levels held at time of award.

If Reseller’s certification or reseller status is withdrawn or reduced, Reseller is required to immediately notify, in writing, the Lead State Contract Administrator (LSCA), each Participating Entity, and each Purchasing Entity explaining:

- The change;
- The impact on their costs to obtain the product;
- Limitations on the products or services they may provide; and,
- The reasons for the change.

--	--	---

Failure to provide the required notification, regarding significant negative changes in their reseller status, may be grounds for suspension or cancellation of the MPA and PA's.

2.2.3.4 If a Purchasing Entity requests software from a Publisher with which the Reseller has no established relationship, the Reseller shall agree to enter into good faith negotiations with the Software Publisher. Resellers shall advise the LSCA or designee of any Software Publishers with whom the Reseller was unable to enter into a reseller certification following negotiations.

2.2.3.5 Provide Pre-Sale Advisement:

- Advise the Purchasing Entity in making strategic software application decisions by providing evaluation copies, product comparisons, needs analysis, product information and application recommendations.
- Assist the Purchasing Entity to make cost neutral adjustments to bundled titles to substitute for or delete duplicative Publisher titles.

If it was before, then Reseller agrees to charge at less than the Contract Pricing until the extended difference that would have been realized (i.e., if the Contractor’s Best Pricing had been applied when it should have been) has been settled.

3.1.2 PRICING-ALL-INCLUSIVE:

Pricing is all-inclusive, including any ancillary fees and costs required to accomplish the Scope of Work and all aspects of Contractor’s offer as accepted by State. 2.0 Contract Interpretation

2.1 Usage

Where the Contract:

1. assigns obligations to Contractor, any reference to “Contractor” is to be construed to be a reference to “Contractor and all Subcontractors, whether they are first-tier subcontractors, sub-subcontractors, suppliers, sub-suppliers, consultants, or sub-consultants, as well as all of Contractor’s and the Subcontractors’ respective agents, representatives, and employees” in every instance unless the context plainly requires that it is be a reference only to Contractor as apart from Subcontractors;
2. Uses the permissive “may” with respect to a party’s actions, determinations, etc., the term is to be interpreted as in A.A.C. R2-7-101(31) [Definitions]. For clarity of intent, any right given to State using “State may” or a like construction denotes discretion and freedom to act so far as any regulatory or operative constraints permit in the relevant circumstances, provided that: (a) where written “may, at its discretion,” the discretion extends to whatever is most advantageous to State; and (b) where written only as “may,” the discretion is constrained by what is fair, reasonable, and as accommodating of the respective best interests of both parties as practicable under the circumstances;
3. uses the imperative “shall” with respect to a party’s actions, duties, etc., the term is to be interpreted as in A.A.C. R2-7-101(43) [Definitions]. Conversely, the phrase “shall not” is to be interpreted as an imperative prohibition.
4. uses the term “must” with respect to a requirement, criterion, etc., the term is to be interpreted as conveying compulsion or strict necessity, and is to be read as though written “*must, if [the subject] is to be entitled to have [the object] considered or credited as being compliant with, conforming to, or satisfying [the requirement, criterion, constraint, etc.], otherwise, [the object] will be considered or debited as being non-compliant, non-conforming, or unsatisfactory for its Contract-related purposes*” in every instance;
5. uses the term “might” with respect to an event, outcome, action, etc., the term is to be interpreted as conveying contingency or non-discretionary conditionality; and
6. uses the term “will” or the phrases “is to be” or “are to be” with respect to an event, outcome, action, etc., the term or phrase is to be interpreted as conveying such certainty or imperativeness that “shall” is either unnecessary or irrelevant in that instance.

2.2 Contract Order of Precedence

COMPLEMENTARY DOCUMENTS. All of the documents forming the Contract are complementary. If certain work, requirements, obligations, or duties are set out only in one but not in another, Contractor shall carry out the Work as though the relevant work, requirements, obligations, or duties had been fully described in all, consistent with the other documents forming the Contract and as is reasonably inferable from them as being necessary to produce complete results.

CONFLICTS. In case of any inconsistency, conflict, or ambiguity among the documents forming the Contract and their provisions, they are to prevail in the following order, descending from most dominate to most subordinate, provided that, among categories of documents or provisions having the same rank, the document or provision with the latest date prevails. Information being identified in one document but not in another is not to be considered a conflict or inconsistency.

- (a) A Participating Entity’s Participating Addendum (“PA”) and any amendments to the PA.
- (b) the Master Agreement (“MPA”) Solicitation Documents, including the mutually agreed upon changes detailed in Attachment 5-B Conformance Statements of the Accepted Offer, in the following order:
 - (1) Special Terms and Conditions;
 - (2) Exhibits to the Special Terms and Conditions;
 - (3) Uniform Terms and Conditions;

- (4) Scope of Work;
 - (5) Exhibits to the Scope of Work;
 - (6) Pricing Document;
 - (7) Exhibits to the Pricing Document;
 - (8) Specifications; and
 - (9) any other documents referenced or included in the Solicitation;
- (c) Orders, in reverse chronological order; and
- (d) Accepted Offer (with the exception of Attachment 5-B Conformance Statements, which is integrated in Sub-Section (b) above).

ATTACHMENTS AND EXHIBITS. For clarity of intent, if an item was an Attachment in the Solicitation Documents or an Offer (either Initial, Revised, Best and Final, or Accepted) and was subsequently made into an Exhibit, or its content was incorporated into one of the other Contract documents, then that Attachment no longer exists contractually as an "Attachment" since it has at that point been made into some other Contract document. In every other case, an Attachment and the Offeror data therein remain part of the Accepted Offer for purposes of precedence and contractual effect.

2.3 Independent Contractor Contractor is an independent contractor and shall act in an independent capacity in performance under the Contract. Neither party is or is to be construed as being to be the employee or agent of the other party, and no action, inaction, event, or circumstance will be grounds for deeming it to be so.

2.4 Complete Integration The Contract, including any documents incorporated into the Contract by reference, is intended by the parties as a final and complete expression of their agreement. There are no prior, contemporaneous, or additional agreements, either oral or in writing, pertaining to the Contract.

Or the equivalent for each Purchasing Entity; and

- 3.3.3 CHANGES. State, or Participating Entity, may change the designated Procurement Officer, update contact information, or change the applicable mailing address by Contract Amendment.
- 3.4 Signing of Contract Amendments
Contractor's counter-signature – or "approval" in The State's e-Procurement System, or equivalent eProcurement System of a Purchasing Entity, in the case of an amendment – is not required to give effect if the Contract Amendment only covers either:
1. extension of the term of the Contract within the maximum aggregate term;
 2. revision to Procurement Officer appointment or contact information; or
 3. Modifications of a clerical nature that have no effect on terms, conditions, price, scope, or other material aspect of the Contract.

- 3.5 Click Through Terms and Conditions
If either party uses a web based ordering system, an electronic purchase order system, an electronic order acknowledgement, a form of an electronic acceptance, or any software based ordering system with respect to the Contract (each an "Electronic Ordering System"), the parties acknowledge and agree that an Electronic Ordering System is for ease of administration only, and Contractor is hereby given notice that the persons using Electronic Ordering Systems on behalf of State do not have any actual or apparent authority to create legally binding obligations that vary from the terms and conditions of the Contract. Accordingly, where an authorized State user is required to "click through" or otherwise accept or be made subject to any terms and conditions in using an Electronic Ordering Systems, any such terms and conditions are deemed void upon presentation. Additionally, where an authorized State user is required to accept or be made subject to any terms and conditions in accessing or employing any Materials or Services, those terms and conditions will also be void.
- 3.6 Books and Records
- 3.6.1 RETAIN RECORDS. By A.R.S. § 41-2548(B), Contractor shall retain and shall contractually require each Subcontractor to retain books and records relating for any cost and pricing data submitted in satisfaction of § 41-2543 for the period specified in the statute.
- 3.6.2 RIGHT TO AUDIT. The retained books and records are subject to audit by State during that period. By A.R.S. § 41-2548(B), Contractor shall retain and shall contractually require each Subcontractor to retain books and records relating to performance under the Contract for the period specified in the statute and those retained books and records are subject to audit by State during that period.
- 3.6.3 AUDITING. Contractor or Subcontractor shall either make all such books and records under subparagraphs 3.6.1 and 3.6.2 available to State at all reasonable times or produce the records at a designated State office on State's demand, the choice of which being at State's discretion. For the purpose of this paragraph, "reasonable times" are during normal business hours and in such a manner so as to not unreasonably interfere with normal business activities.
- 3.7 Contractor Licenses
Contractor shall maintain current all federal, state and local licenses and permits required for the operation of its business in general, for its operations under the Contract, and for the Work itself.
- 3.8 Inspection and Testing
By A.R.S. § 41-2547, State may at reasonable times inspect the part of Contractor's or Subcontractors' plant or places of business related to performance under the Contract. Accordingly, Contractor agrees to permit (for itself) and ensure (for Subcontractors) access for inspection at any reasonable time to its facilities, processes, and services. State may inspect or test, at its own cost, any finished goods, work-in-progress, components, or unfinished materials that are supplied under the Contract or that will be incorporated into something to be supplied under the Contract. If the inspection or testing shows non-conformance or defects, then Contractor will owe State reimbursement or payment of all costs it incurred in carrying out or contracting for the inspection and testing, as well as for any re-inspection or re-testing that might be necessary. Neither inspection of facilities nor testing of goods, work, components, or unfinished materials will of itself constitute acceptance by State of those things.

3.10.2 **ADDITIONAL NAMES.** Contractor shall not enter into a Subcontract without first obtaining Procurement Officer's written consent with any prospective Subcontractor that (a) was not listed on Attachment 3-C at time of Contract execution or (b) is for any Materials or Services categories other than the ones for which they were previously consented. For either case (a) or (b), Contractor shall submit a written request sufficiently in advance of the need date for those materials or services so that performance under the Contract is not impaired. Procurement Officer may request any additional information he or she determines is necessary to assess the submittal, and may withhold consent pending it.

3.10.3 **FLOW-DOWN.** Contractor shall incorporate the provisions, terms, and conditions of the Contract into every Subcontract by inclusion or by reference, as appropriate. When making any post-execution consent requests, Contractor shall include its warrant that it will do the same for the pending Subcontracts covered by the request. Entering into Subcontracts will not relieve Contractor of any of its obligations or duties under the Contract, including, among other things, the duty to supervise and coordinate the work of Subcontractors. Nothing contained in any Subcontract will create or is to be construed as creating any contractual relationship between State and the Subcontractor.

3.11 Offshore
Performance
of Certain Work
Prohibited

Contractor shall only perform those portions of the Services that directly serve State or its clients and involve access to secure or sensitive data or personal client data within the defined territories of the United States. Unless specifically stated otherwise in the Scope of Work, this paragraph does not apply to indirect or overhead services, redundant back-up services, or services that are incidental to performance under the Contract. This provision applies to work performed by Subcontractors at all tiers.

3.12 Orders

3.12.1 **ORDER SUFFICIENCY.** The Contract was awarded in accordance with the Arizona Procurement Code; the transactions and procedures required by the code for competitive source selection have been met. An Order issued that cites the correct State contract number will suffice to authorize Contractor to provide the Materials and perform the Services covered by that Order.

3.12.2 **ORDER TERMS.** All Orders are subject to the Contract Terms and Conditions; an Order cannot modify the Contract Terms and Conditions.

3.12.3 **ORDERS ARE OBLIGATORY.** Until the expiration or earlier termination of the Contract, State may issue and Contractor shall accept Orders that make proper reference to the Contract and are permissible hereunder, provided that, Contractor is not obliged to accept any Order that is not consistent with the then-current pricing, lead times, specifications, or payment provisions of the Contract. Contractor shall fulfill and complete any Orders that are begun but not yet completed as of expiration or earlier termination of the Contract unless State instructs otherwise at the time.

3.12.4 **SPECIAL CASE.** In the special case where both the following conditions are true, Procurement Officer's signature on the Acceptance is Contractor's authorization to perform and therefore no Order is required: (a) the Contract is identified as being a "single-agency/single-project" contract and (b) the Contract was created in The State's e-Procurement System as something other than a "Master/ Blanket" type.

3.12.5 **NO MINIMUMS OR COMMITMENTS.** (a) Contractor shall not impose any minimum dollar amount, item count, services volume, or services duration on Orders; (b) State makes no commitment of any kind concerning the quantity or monetary value of activity actually initiated or completed during the term of the Contract; (c) Contractor shall only deliver or perform as authorized by Orders; and (d) State is not limited as to the number of Orders it may issue for the Contract. For clarity of intent, the foregoing applies equally whether an Eligible Agency issues the Order or, if applicable, a Co-Op Buyer issues it.

3.12.6 **NON-CONTRACTED MATERIALS OR SERVICES.** Any attempt to knowingly represent for sales, marketing, or related purposes that goods or services not specifically awarded are under a State contract is a violation of the Contract and law.

Provisions**

Eligible Agencies may issue Orders for Services in several forms, all of which become final and effective by a "Release Purchase Order" in The State's e-Procurement System. Orders issued by Co-Op Buyers will be in whatever form the Co-Op Buyer normally uses. Regardless of origin, Orders must cite the State contract number to be valid. State may, at its discretion in each instance, determine the scope, schedule, and price for each Order in any of the following ways:

1. By choosing some or all of the Materials or Services items covered by the Contract for which a price is established in the Pricing Document, then preparing an Order using those prices (e.g., filling out an order form), and sending it to Contractor.
2. By instructing Contractor to provide a comprehensive proposal of item quantities, combinations, etc., or services hours, personnel, etc., for a defined scope using those established prices as a basis, then validating and negotiating the proposal with Contractor and issuing an Order if and when reaching agreement.
3. As described in (2) above but requesting the proposal from both Contractor and other vendors who are contracted within the applicable scope categories and locations, either sequentially or concurrently, then selecting the proposal or proposals combination that is most advantageous to State.
4. As described in (3) above but introducing ad-hoc commercial competition by making the selection and ordering conditional on obtaining more favorable prices than the contractually-established ones.

When evaluating the proposals under (3) and (4) above, State may select based on price (for example, a quoted number of hours times the contracted or improved rate plus a fixed amount for incidentals), by experience and qualifications (for example, having an office nearer the required work location), or whatever combination thereof it determines is most appropriate to the work in question.

**3.16 Other
Contractors**

State may undertake with its own forces or award other contracts to the same or other vendors for additional or related work. In such cases, Contractor shall cooperate fully with State's employees and such other vendors and carefully coordinate, fit, connect, accommodate, adjust, or sequence its work to the related work by others. Where the Contract requires handing-off Contractor's work to others, Contractor shall cooperate as State instructs regarding the necessary transfer of its work product, services, or records to State or the other vendors. Contractor shall not commit or permit any act that interferes with the State's or other vendors' performance of their work, provided that, State shall enforce the foregoing section equitably among all its vendors so as not impose an unreasonable burden on any one of them.

3.17 Work on State Premises

- 3.16.1 **COMPLIANCE WITH RULES.** Contractor is responsible for ensuring that its personnel comply with State’s rules, regulations, policies, documented practices, and documented operating procedures while delivering or installing Materials or performing Services on State’s grounds or in its facilities. For clarity of intent, the foregoing means that if Contractor is required to comply with certain security requirements in order to deliver, install, or perform at that particular location, then it shall do so nonetheless and without entitlement to any additional compensation or additional time for performance if those particular requirements are not expressly stated in the Contract. Contractor is reminded that violation of the prohibition under A.R.S. § 13-1502 against possession of weapons on State’s property by anyone for whom Contractor is responsible is a material breach of contract and grounds for termination for default.
- 3.16.2 **PROTECTION OF GROUNDS AND FACILITIES.** Contractor shall deliver or install the Materials and perform the Services without damaging any State grounds or facilities. Contractor shall repair or replace any damage it does cause promptly and at its own expense, subject to whatever instructions and restrictions State needs to make to prevent inconvenience or disruption of operations. If Contractor fails to make the necessary repairs or replacements and do so in a timely manner, State will be entitled to exercise its remedies under paragraph 8.5 [*Right of Offset*].

4.0 Costs and Payments

4.1 Payments

- 4.1.1 **PAYMENT DEADLINE.** State shall make payments in compliance with Arizona Revised Statutes Titles 35 and 41. Unless and then only to the extent expressly stated otherwise in the Pricing Document, State shall make payment in full for Materials that have been delivered and accepted and Services that have been performed and accepted within the time specified in A.R.S. § 35-342 after both of the following become true: (a) all of the Materials being invoiced have been delivered or installed (as applicable) and accepted and all of the Services being invoiced have been performed and accepted; and (b) Contractor has provided a complete and accurate invoice in the form and manner called for in the Pricing Document, provided that, State will not make or be liable for any payments to Contractor until Contractor has registered properly in The State’s e-Procurement System and provided a current IRS Form W-9 to State unless excused by law from providing one.
- 4.1.2 **PAYMENTS ONLY TO CONTRACTOR.** Unless compelled otherwise by operation of law or order of a court of competent jurisdiction, State will only make payment to Contractor under the federal tax identifier indicated on the Accepted Offer.

4.2 Applicable Taxes

- 4.2.1 **CONTRACTOR TO PAY ALL TAXES.** State is subject to Arizona TPT. Therefore, Arizona TPT applies to all sales under the Contract and Arizona TPT is Contractor’s responsibility (as seller) to remit. Contractor’s failure to collect Arizona TPT or any other applicable sales or use taxes from an Eligible Agency or Co-Op Buyer (as buyer) will not relieve Contractor of any obligation to remit sales or use taxes that are due under the Contract or laws. Unless stated otherwise in the Pricing Document, all prices therein include Arizona TPT as well as every other manner of transaction privilege or sales/use tax that is due to a municipality or another state or its political subdivisions. Contractor shall pay all federal, state, and local taxes applicable to its operations and personnel.
- 4.2.2 **TAX INDEMNITY.** Contractor shall hold State harmless from any responsibility for taxes or contributions, including any applicable damages and interest, that are due to federal, state, and local authorities with respect to the Work and the Contract, as well any related costs; the foregoing expressly includes Arizona TPT, unemployment compensation insurance, social security, and workers’ compensation insurance.

Officer or made unilaterally by Contractor will be void and without effect; Contractor will not be entitled to any claim made under the Contract based on any such purported changes.

5.2 Assignment and Delegation

5.2.1 IN WHOLE. Contractor shall not assign in whole its rights or delegate in whole its duties under the Contract without Procurement Officer's prior written consent, which consent Procurement Officer may withhold at his or her discretion. If Contractor's proposed assignment or delegation stems from a split, sale, acquisition, or other non-merger change in control, then no such consent will be given in any event without the assignee or delegate giving State satisfactory and equivalent evidence or assurance of its financial soundness, competency, capacity, and qualification to perform as that which Contractor possessed when State first awarded it the Contract.

5.2.2 IN PART. Subject to paragraph 3.10 [Subcontracts] with respect to subcontracting, Contractor may assign particular rights or delegate particular duties under the Contract, but shall obtain Procurement Officer's written consent before doing so. Procurement Officer shall not unreasonably withhold consent so long as the proposed assignment or delegation does not attempt to modify the Contract in any way or to alter or impair State's rights or remedies under the Contract or laws.

6.0 Risk and Liability

6.1 Risk of Loss

Contractor shall bear all risk of loss to Materials while in pre-production, production, storage, transit, staging, assembly, installation, testing, and commissioning, if and as those duties are within the scope of the Work, until they have been accepted as conforming by State in the particular location and situation specified in the Order, or as specified generally elsewhere in the Contract if the Order does not provide particulars, provided that, risk of loss for nonconforming Materials will remain with Contractor notwithstanding acceptance to the extent the loss stems from the nonconformance.

notice shall be sent directly to the Department and shall be mailed, emailed, hand delivered or sent by facsimile transmission to State Procurement Office.

ACCEPTABILITY OF INSURERS: Contractor’s Insurance shall be placed with companies licensed in the State of Arizona or hold approved non-admitted status on the Arizona Department of Insurance List of Qualified Unauthorized Insurers. Insurers shall have an “A.M. Best” rating of not less than A- VII. VERIFICATION OF COVERAGE: Reseller shall furnish the State of Arizona with certificates of insurance (valid ACORD form or equivalent approved by the State of Arizona) evidencing that Reseller has the insurance as required by this Contract. An authorized representative of the insurer shall sign the certificates.

All such certificates of insurance and policy endorsements shall be received by the State before work commences. The State’s receipt of any certificates of insurance or policy endorsements that do not comply with this written agreement shall not waive or otherwise affect the requirements of this agreement.

Each insurance policy required by this Contract shall be in effect at, or prior to, commencement of work under this Contract. Failure to maintain the insurance policies as required by this Contract, or to provide evidence of renewal, is a material breach of contract.

All such certificates required by this Contract shall be sent directly to the Arizona State Procurement Office. The State of Arizona project/contract number and project description shall be noted on the certificate of insurance. The State of Arizona reserves the right to require complete, certified copies of all insurance policies required by this Contract at any time.

SUBCONTRACTORS: Contractors’ certificate(s) shall include all subcontractors as insured under its policies or Reseller shall be responsible for ensuring and/or verifying that all subcontractors have valid and collectable insurance as evidenced by the certificates of insurance and endorsements for each subcontractor. All coverages for subcontractors shall be subject to the minimum Insurance Requirements identified above. The Department reserves the right to require, at any time throughout the life of this contract, proof from the Reseller that its subcontractors have the required coverage.

APPROVAL and MODIFICATIONS: The Contracting Agency, in consultation with State Risk, reserves the right to review or make modifications to the insurance limits, required coverages, or endorsements throughout the life of this contract, as deemed necessary. Such action shall not require a formal Contract amendment but may be made by administrative action.

EXCEPTIONS: In the event the Reseller or sub-contractor(s) is/are a public entity, then the Insurance Requirements shall not apply. Such public entity shall provide a Certificate of self-insurance. If the Reseller or sub-contractor(s) is/are a State of Arizona agency, board, commission, or university, none of the above shall apply.

6.3 Indemnification

To the fullest extent permitted by law, Reseller shall defend, indemnify, and hold harmless the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees (hereinafter referred to as “Indemnitee”) from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys’ fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as “Claims”) for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Reseller or any of its owners, officers, directors, agents, employees or subcontractors. This indemnity includes any claim or amount arising out of, or recovered under, the Workers’ Compensation Law or arising out of the failure of such Reseller to conform to any federal, state, or local law, statute, ordinance, rule, regulation, or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by Reseller from and against any and all claims. It is agreed that Reseller shall be responsible for primary loss investigation, defense, and judgement costs where this indemnification is applicable. In

consideration of the award of this contract, the Reseller agrees to waive all rights of subrogation against the State of, its officers, officials, agents, and employees for losses arising from the work performed by the Reseller for the State of Arizona. This indemnification shall survive the termination of the above listed contract with the Reseller.

This indemnity shall not apply if the Reseller or sub-contractor(s) is/are an agency, board, commission or university of the State of Arizona.

6.4 Patent and Copyright Indemnification

CONTRACTOR/VENDOR (NOT PUBLIC AGENCY). With respect to Materials or Services provided or proposed by a Reseller Indemnitor for performance under the Contract, Reseller shall indemnify, defend and hold harmless State Indemnitees against any third-party claims for liability, costs, and expenses, including, but not limited to reasonable attorneys' fees, for infringement or violation of any patent, trademark, copyright, or trade secret by the Materials and the Services. With respect to the defense and payment of claims under this subparagraph:

1. State shall provide reasonable and timely notification to Reseller of any claim for which Reseller may be liable under this paragraph;
2. Reseller, with reasonable consultation from State, shall have control of the defense of any action on an indemnified claim including all negotiations for its settlement or compromise;
3. State may elect to participate in such action at its own expense; and
4. State may approve or disapprove any settlement or compromise, provided that, (i) State shall not unreasonably withhold or delay such approval or disapproval and (ii) State shall cooperate in the defense and in any related settlement negotiations.

If Reseller is a public agency, this paragraph 6.4 does not apply.

6.5 Force Majeure

6.5.1 DEFINITION. For this paragraph, "force majeure" means an occurrence that is (a) beyond the control of the affected party, (b) occurred without the party's fault or negligence, and (c) something the party was unable to prevent by exercising reasonable diligence. Without limiting the generality of the foregoing, force majeure expressly includes acts of God, acts of the public enemy, war, riots, strikes, mobilization, labor disputes, civil disorders, fire, flood, lockouts, injunctions-intervention-acts, failures or refusals to act by government authorities, and, subject to paragraph 7.66 [*Performance in Public Health Emergency*], declared public health emergencies. Force majeure expressly does not include late delivery caused by congestion at a manufacturer's plant or elsewhere, an oversold condition of the market, late performance by a Subcontractor unless the delay arises out of an occurrence of force majeure, or inability of either Contractor or any Subcontractor to acquire or maintain any required insurance, bonds, licenses, or permits.

6.5.2 RELIEF FROM PERFORMANCE. Except for payment of sums due, the parties are not liable to each other if an occurrence of force majeure prevents its performance under the Contract. If either party is delayed at any time in the progress of their respective performance under the Contract by an occurrence of force majeure, the delayed party shall notify the other no later than the following working day after the occurrence, or as soon as it could reasonably have been expected to recognize that the occurrence had effect in cases where the effects were not readily apparent. In any event, the notice must make specific reference to this paragraph specifying the causes of the delay in the notice and, if the effects of the occurrence are on-going, provide an initial notification and thereafter the delayed party shall provide regular updates until such time as the effects are fully known. To the extent it is able, the delayed party shall cause the delay to cease promptly and notify the other party when it has done so. The parties shall extend the time of completion by Contract Amendment for a period equal to the time that the results or effects of the delay prevented the delayed party from performing.

6.5.3 EXCUSABLE DELAY IS NOT DEFAULT. Failure in performance by either party will not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if and to the extent that such failure was or is being caused by an occurrence of force majeure.

6.5.4 **DEFAULT DIMINISHES RELIEF.** Entitlement to relief from the effects of an occurrence of force majeure is diminished to the extent that the delay did or will result from the affected party's default unrelated to the occurrence, in which case and to that extent the other party's normal remedies and the affected party's obligations would apply undiminished.

6.6 **Third Party Antitrust Violations** Contractor assigns to State any claim for overcharges resulting from antitrust violations to the extent that those violations concern materials or services supplied by third parties to Contractor toward fulfillment of the Contract.

7.0 Warranties

7.1 **Conformity to Requirements** Contractor warrants that, unless expressly provided otherwise elsewhere in the Contract, the Materials and Services will for 1 (one) year after acceptance and in each instance: (1) conform to the requirements of the Contract, which by way of reminder include without limitation all descriptions, specifications, and drawings identified in the Scope of Work and any Contractor affirmations included as part of the Contract; (2) be free from defects of material and workmanship; (3) conform to or perform in a manner consistent with current industry standards; and (4) be fit for the intended purpose or use described in the Contract. Mere delivery or performance does not substitute for express acceptance by State. Where inspection, testing, or other acceptance assessment of Materials or Services cannot be done until after installation, the forgoing warranty will not begin until State's acceptance.

7.2 **Contractor Personnel** Contractor warrants that its personnel will perform their duties under the Contract in a professional manner, applying the requisite skills and knowledge, consistent with industry standards, and in accordance with the requirements of the Contract. Contractor further warrants that its key personnel will maintain any certifications relevant to their work, and Contractor shall provide individual evidence of certification to State's authorized representatives upon request.

7.3 **Intellectual Property** Contractor warrants that the Materials and Services do not and will not infringe or violate any patent, trademark, copyright, trade secret, or other intellectual property rights or laws, except only to the extent the Specifications do not permit use of any other product and Contractor is not and cannot reasonably be expected to be aware of the infringement or violation.

7.4 **Licenses and Permits** Contractor warrants that it will maintain all licenses required under paragraph 3.7 [*Contractor Licenses*] and all required permits valid and in force.

7.5 **Operational Continuity** Contractor warrants that it will perform without relief notwithstanding being sold or acquired; no such event will operate to mitigate or alter any of Contractor's duties hereunder absent a consented delegation under paragraph 5.3 [*Assignment and Delegation*] that expressly recognizes the event.

7.6 **Performance in Public Health Emergency** Contractor warrants that it will:

1. have in effect promptly after commencement a plan for continuing performance in the event of a declared public health emergency that addresses, at a minimum: (a) identification of response personnel by name; (b) key succession and performance responses in the event of sudden and significant decrease in workforce; and (c) alternative avenues to keep sufficient product on hand or in the supply chain; and
2. Provide a copy of its current plan to State within 3 (three) business days after State's written request. If Contractor claims relief under paragraph 6.5 [*Force Majeure*] for an occurrence of force majeure that is a declared public health emergency, then that relief will be conditioned on Contractor having first implemented its plan and exhausted all reasonable opportunity for that plan implementation to overcome the effects of that occurrence, or mitigate those effects to the extent that overcoming entirely is not practicable.

For clarification of intent, being obliged to implement the plan is not of itself an occurrence of force majeure, and Contractor will not be entitled to any additional compensation or extension of time by virtue of having to implement it. Furthermore, failure to have or implement an appropriate plan will be a material breach of contract.

7.7 **Lobbying** 7.7.1 **PROHIBITION.**

11.0 General Provisions for Materials

11.1 Applicability Article 11 applies to the extent the Work is or includes Materials.

11.2 Off-Contract Materials Contractor shall ensure that the design and/or procedures for the Materials ordering method prevents Orders for off-contract items or excluded items. Notwithstanding that State might have its own internal administrative rules regarding off-contract or excluded item ordering, and endeavors to prevent such orders from occurring, Contractor is responsible for not accepting any such Orders, State may, at its discretion, return any such items under subparagraph 11.17 or cancel any such Order under subparagraph 11.18, in either case being without obligation and at Contractor's expense. As used above, "off-contract item" refers to any product not included in the scope of the Contract and for which no price or compensation has been established contractually, and "excluded item" refers to any product expressly stated in the Contract as being excluded from the Contract.

11.3 Compensation for Late Deliveries Contractor shall have clear, published policies in place regarding late delivery, order cancelation, discounts, or rebates given to compensate for late deliveries, etc., and make them readily available to those Eligible Agencies, and Co-Op Buyers if applicable, that are likely to need them

11.5 Current Products	Contractor shall keep all products being offered under the Contract: (a) in current and ongoing production; (b) in its advertised product lines; (c) as models or types that are actively functioning in other paying customer environments; and (d) in conformance to the requirements of the Contract
11.6 Maintain Comprehensive Selection	Contractor shall provide at all times the comprehensive selection of products for which a price is established in the <u>Commercial Document</u> for ordering by Eligible Agencies, and Co-Op Buyers if applicable.
11.7 Additional Products	State, at its discretion, may modify the scope of the Contract by Contract Amendment to include additional products or product categories so long as they are within the general scope of the ones originally covered by the Contract. Once the Contract Amendment has been fully executed, Contractor shall then update all applicable catalogs and price lists and make them available to all affected entities at no additional cost. Either party may make the request to add products to the Contract; regardless of who makes the request, the parties shall negotiate in good faith a fair price for any additional products, but State may elect not to add some or all of the products in question if no agreement is reached on pricing in a timely manner. Contractor's request or proposal in response to State's request must include: (a) documentation demonstrating that the additional products meet or exceed the specifications for the original products while remaining in the same product groups as the original ones; and (b) documentation demonstrating that the proposed price for the additional products is both fair and reasonable and at the same level of discount relative to market price as were the original ones. Demonstration of (b) typically requires showing how prices at which sales are currently or were last made to a significant number of buyers compare to the prices or discounts (as applicable) being proposed for the additional products
11.8 Discounted Products	If a product or groups of products covered by the Contract are discontinued by the manufacturer, Contractor shall notify State within 5 (five) business days after receiving the manufacturer's notification. State, at its discretion, will either allow Contractor to provide substitutes for the discontinued products or delete the products from the scope of the Contract, both of which will be accomplished by Contract Amendment. Contractor shall then update all applicable catalogs and price lists and make them available to all affected entities at no additional cost. The parties shall negotiate in good faith a fair price for any substitute product, but State may elect to delete the products from the scope of the Contract if no agreement is reached on substitute pricing in a timely manner. When notifying State of the discontinuance, Contractor shall provide: (a) manufacturer's announcement or documentation stating that the products have been discontinued, with identification by model/part number; (b) documentation demonstrating that the substitute products meet or exceed the specifications for the discontinued products while remaining in the same product groups as were the discontinued ones; and (c) documentation demonstrating that the proposed price for the substitute products is both fair and reasonable and at the same level of discount relative to market price as were the discontinued ones.
11.9 Forced Substitutes	Forced substitutions will not be permitted; Contractor shall obtain State's prior written consent before making any discretionary substitution for any product covered by the Contract.
11.10 Recalls	In the event of a recall notice, technical service bulletin, or other important notification affecting a product offered under the Contract (collectively, "recalls" hereinafter), Contractor shall send timely notice to State for each applicable Order referencing the affected Order and product. Notwithstanding whatever protection Contractor might have under A.R.S. § 12-684 with respect to a manufacturer, Contractor shall handle recalls entirely and without obligation on State's part, other than to permit removal of installed products, retrieval of stored products, etc., as necessary to implement the recall

11.11.2 LIABILITY. Unless stated otherwise in the Commercial Document or an Order, Contractor’s liability for all Materials is DDP (State-designated receiving point per Order) Incoterms®2010, but with unloading at destination included. Unless stated otherwise in the Commercial Document generally or in the applicable Order particularly, Contractor shall make delivery within 2 (two) business days after receiving each Order

Contractor shall offer deliveries to every location served under the scope of the Contract, specifically

4. if the Contract is for unrestricted statewide use, then:

- i. Contractor shall deliver to any Eligible Agency or Co-Op Buyer anywhere in Arizona;
- b) If a prospective Co-Op Buyer outside Arizona wishes to order against the Contract, Contractor agrees to negotiate in good faith any fair and reasonable price or lead time adjustments necessary to serve that location if practicable to do so within the scope of its normal business; and,
- c) if the Commercial Document indicates defined delivery areas and prices, those always apply unless the Order expressly states otherwise and Contractor accepts it.

11.14 Conditions at Delivery Location

Contractor shall verify receiving hours and conditions (i.e. height/weight restrictions, access control, etc.) with the relevant purchaser for the receiving site before scheduling or making a delivery. State will neither allow extra charges for wait time, comebacks, or the like nor excuse late delivery if Contractor has failed to make the verification or comply with the applicable conditions. Contractor shall make each delivery to the specific location indicated in the Order, which Contractor acknowledges might be inside an industrial building, institutional building, low-rise office building, or high-rise office building instead of a normal receiving dock. Contractor might be required to make deliveries to locations inside a secured perimeter at certain institutional facilities such as prisons where prior clearances are required for each delivery and driver individually. Contractor shall contact each such facility directly to confirm its most-current security clearance procedures, allowable hours for deliveries, visitor dress code, and other applicable rules. State will neither allow extra charges for wait time, comebacks, or the like nor excuse late delivery if Contractor has failed to make the confirmation or comply with the applicable conditions

State has the right to make acceptance of Materials subject to a complete inspection on delivery and installation, if installation is Contractor's responsibility.

11.15 Materials

State may apply as acceptance criteria conformity to the Contract, workmanship and quality, correctness of constituent materials, and any other matter for which the Contract or applicable laws state a requirement, whether stated directly or by reference to another document, standard, reference specification, etc. Contractor shall remove any rejected Materials from the delivery location, or from any immediate environs to which it might have been reasonably necessary to move it, carry it off the delivery premises, and subsequently deliver an equal number or quantity of conforming items. State will not owe Contractor any payment for rejected Materials, and State may, at its discretion, withhold or make partial payment for any rejected Materials that have been returned to Contractor in those instances where State has agreed to permit repair instead of demanding replacement.

11.16 Acceptance

11.17 Correcting Defects

Contractor shall, at no additional cost and without entitlement to extension of any delivery deadline or specified time for performance, remove or exchange and replace any defective or non-conforming delivered or installed Materials

1. Contractor shall be solely responsible for the cost of any associated cutting and patching, temporary protection measures, packing and crating, hoisting and loading, transportation, unpacking, inspection, repacking, reshipping, and reinstallation if installation is within the scope of the Contract.
2. If Contractor fails to do so in a timely manner, State will be entitled to exercise its remedies under paragraph 8.5 [*Right of Offset*] of the Uniform Terms and Conditions.
3. Whether State will permit Contractor to repair in place or demands that Contractor remove and replace is at State's discretion in each instance, provided that, State shall not apply that discretion punitively if repair in place is practicable and doing so would not create safety hazards, put property at risk, unreasonably interfere with operations, create public nuisance, or give rise to any other reasonable concern on State's part.

11.18 Returns

State may, at its discretion, return for full credit and with no restocking charges any delivered Materials unused in the original packaging, including any instruction manuals or other incidental item that accompanied the original shipment, within thirty (30) days after receipt. If State elects to return delivered Materials, then State shall pay all freight, delivery, and transit insurance costs to return the products to the place from which Contractor shipped them, provided that, if State returns delivered Materials because they are defective or non-conforming or for any other reason having to do with Contractor fault or error, then State will not be responsible for paying freight, delivery, or transit insurance costs to return the products and may, at its discretion, either have those billed directly to Contractor or offset them under paragraph 8.5 [*Right of Offset*] of the Uniform Terms and Conditions.

11.19 Order Cancellations

(b) the cost of any obligations it incurred in fulfilling the Order up to the cancellation effective date plus one (1) additional business day that demonstrably cannot be canceled, or that have pre-established cancellation penalties specified in the relevant Subcontracts, to the extent the penalties are reasonable and customary for the work in question; and,

3. Contractor shall not charge or be entitled to charge State for any new costs it incurs after receiving the cancellation notice.

Unless expressly stated otherwise in the Scope of Work, State is not responsible for making any Materials safe or compliant following acceptance and is relying exclusively on Contractor to deliver only products that are already safe and compliant

11.20 Product Safety

Contractor shall timely provide State with any "Safety Data Sheets" (SDS) and any other hazard communication documentation required under the US Department of Labor's Occupational Safety and Health Administration (OSHA) "Hazard Communication Standard" (often referred to as the "HazCom 2012 Final Rule") that is reasonably necessary for State to comply with regulations when it or its other contractors install, handle, operate, repair, maintain or remove any Materials. Note that, in the past, those documents might have been referred to as "Material Safety Data Sheets" or "Product Safety Data Sheets", but State (and this Contract) use only the more up-to-date "SDS" reference. 12.0 General Provisions for Services

12.1 Applicability

Article 12 applies to the extent the Work is or includes Services.

12.2 Comprehensive Services Offering

Contractor shall provide the comprehensive range of services for which a price is established in the Pricing Document for ordering by Eligible Agencies, and Co-Op Buyers if co-op buying applies.

12.3 Additional Services

State at its discretion may modify the scope of the Contract by Contract Amendment to include additional services or service categories that are within the general scope of the ones originally covered by the Contract if it determines that doing so is in its best interest. Once the Contract Amendment is fully executed, Contractor shall then update all applicable price lists and make them available to all affected entities at no additional cost. Either party may make the request to add services to the Contract; regardless of who makes the request, the parties shall negotiate in good faith a fair price for any additional services, but State may elect not to add some or all of the services in question if no agreement is reached on pricing in a timely manner. Contractor's request or proposal in response to State's request must include documentation demonstrating that the proposed price for the additional services is both fair and reasonable and comparable to the original ones.

12.4 Off-Contract Services

Contractor shall ensure that the design and/or procedures for the Services ordering method prevents Orders for off-contract or excluded services. Notwithstanding that State might have its own internal administrative rules regarding off contract or excluded service ordering, and endeavors to prevent such orders from occurring, Contractor is responsible for not accepting any such Orders. State may, at its discretion, cancel any such Order without obligation. As used above, "off-contract service" refers to any service not included in the scope of the Contract and

for which no price or compensation has been established contractually, and “excluded service” refers to any service expressly excluded from the scope of the Contract.

<p>12.5 Removal of Personnel</p>	<p>Notwithstanding that Contractor is in every circumstance responsible for hiring, assigning, directing, managing, training, disciplining, and rewarding its personnel, State may at its discretion and without the obligation to demonstrate cause instructs Contractor to remove any of its personnel from State’s facilities or from further assignment under the Contract. State may elect to have outgoing vendors complete some or all of their work or an order in progress to ease the transition as is safest and most efficient in each instance, even if that scope is covered under the Contract. Conversely, State anticipates having a continued need for the same materials and services upon expiration or earlier termination of the Contract. Accordingly, Contractor shall work closely with any new (incoming) vendor and State to ensure as smooth and complete a transfer as is practicable. State’s representative shall coordinate all transition activities and facilitate joint development of a comprehensive transition plan by both Contractor and the incoming vendor. As with the incoming transition. State may permit Contractor (outgoing) to complete work or orders in progress to ease the transition as is safest and most efficient in each instance.</p>
<p>12.7 Accuracy of Work</p>	<p>Contractor is responsible for the accuracy of the Services, and shall promptly make all necessary revisions or corrections resulting from errors and omissions on its part without additional compensation. Acceptance by State will not relieve Contractor of responsibility for correction of any errors discovered subsequently or necessary clarification of any ambiguities.</p>
<p>12.8 Requirements at Services Location</p>	<p>Contractor personnel shall perform their assigned portions of the Services at the specific location indicated in the Order (if applicable). Contractor acknowledges that the location might be inside an industrial building, institutional building, or one of various office types and classes. Additionally, if performing the Services requires Contractor personnel to work inside a secured perimeter at certain institutional facilities such as prisons where prior clearances are required, Contractor shall contact the facility directly to confirm its most-current security clearance procedures, allowable hours for work, visitor dress code, and other applicable rules. State will neither allow extra charges for wait time, comebacks, or the like nor excuse late performance if Contractor has failed to make the confirmation or comply with the applicable conditions.</p>
<p>12.9 Services Acceptance</p>	<p>State has the right to make acceptance of Services subject to acceptance criteria. State may apply as acceptance criteria conformity to the Contract, accuracy, completeness, or other indicators of quality or other matter for which the Contract or law states a requirement, whether stated directly or by reference to another document, standard, reference specification, etc. State will not owe Contractor any payment for un-accepted Services; and State may, at its discretion, withhold or make partial payment for any rejected Services if Contractor is still in the process of re-performing or otherwise curing the grounds for State’s rejection.</p>
<p>12.10 Corrective Action Required</p>	<p>Notwithstanding any other guarantees, general warranties, or particular warranties Contractor has given under the Contract, if Contractor fails to perform any material portion of the Services, including failing to complete any contractual deliverable, or if its performance fails to meet agreed-upon service levels or service standards set out in or referred to in the Contract, then Contractor shall perform a root-cause analysis to identify the source of the failure and use all commercially reasonable efforts to correct the failure and meet the Contract requirements as promptly as is practicable.</p> <ol style="list-style-type: none"> 1. 3. Contractor shall take the necessary action to avoid any like failure in the future, if doing so is appropriate and practicable under the circumstances.

 - c. The CONTRACTOR shall be responsible for the accuracy, completeness, and adequacy of the CONTRACTOR'S performance under this Contract. Furthermore, the CONTRACTOR intentionally, voluntarily, and knowingly assumes the sole and entire liability to the CONTRACTOR'S employees and agents, and to any individual not a party to this Contract, for all loss, damage, or injury caused by the CONTRACTOR, or the CONTRACTOR'S employees or agents in the course of their employment.
 - d. The CONTRACTOR shall be responsible for payment of all applicable federal, state, and county taxes and fees which may become due and owing by the CONTRACTOR by reason of this Contract, including but not limited to (i) income taxes, (ii) employment related fees, assessments, and taxes, and (iii) general excise taxes. The CONTRACTOR represents that neither the CONTRACTOR, nor any employee or agent of the CONTRACTOR, presently has any interest, and promises that no such interest, direct or indirect, shall be acquired, that would or might conflict in any manner or degree with the CONTRACTOR'S performance under this Contract.

6. Subcontracts and Assignments. The CONTRACTOR shall not assign or subcontract any of the CONTRACTOR'S duties, obligations, or interests under this Contract and no such assignment or subcontract shall be effective unless (i) the CONTRACTOR obtains the prior written consent of the STATE, and (ii) the CONTRACTOR'S assignee or subcontractor submits to the STATE a tax clearance certificate from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR'S assignee or subcontractor have been paid. Additionally, no assignment by the CONTRACTOR of the CONTRACTOR'S right to compensation under this Contract shall be effective unless and until the assignment is approved by the Comptroller of the State of Hawaii, as provided in section 40-58, HRS.

a. Recognition of a successor in interest. When in the best interest of the State, a successor in interest may be recognized in an assignment contract in which the STATE, the CONTRACTOR and the assignee or transferee (hereinafter referred to as the "Assignee") agree that:

- (1) The Assignee assumes all of the CONTRACTOR'S obligations;
- (2) The CONTRACTOR remains liable for all obligations under this Contract but

waives all rights under this Contract as against the STATE; and

- (3) The CONTRACTOR shall continue to furnish, and the Assignee shall also furnish, all required bonds.
- b. Change of name. When the CONTRACTOR asks to change the name in which it holds this Contract with the STATE, the procurement officer of the purchasing agency (hereinafter referred to as the "Agency procurement officer") shall, upon receipt of a document acceptable or satisfactory to the Agency procurement officer indicating such change of name (for example, an amendment to the CONTRACTOR'S articles of incorporation), enter into an amendment to this Contract with the CONTRACTOR to effect such a change of name. The amendment to this Contract changing the CONTRACTOR'S name shall specifically indicate that no other terms and conditions of this Contract are thereby changed.
- c. Reports. All assignment contracts and amendments to this Contract effecting changes of the CONTRACTOR'S name or novations hereunder shall be reported to the chief procurement officer (CPO) as defined in section 103D-203(a), HRS, within thirty days of the date that the assignment contract or amendment becomes effective.
- d. Actions affecting more than one purchasing agency. Notwithstanding the provisions of subparagraphs 6a through 6c herein, when the CONTRACTOR holds contracts with more than one purchasing agency of the State, the assignment contracts and the novation and change of name amendments herein authorized shall be processed only through the CPO's office.
7. Indemnification and Defense. The CONTRACTOR shall defend, indemnify, and hold harmless the State of Hawaii, the contracting agency, and their officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys' fees, and all claims, suits, and demands therefore, arising out of or resulting from the acts or omissions of the CONTRACTOR or the CONTRACTOR'S employees, officers, agents, or subcontractors under this Contract. The provisions of this paragraph shall remain in full force and effect notwithstanding the expiration or early termination of this Contract.
8. Cost of Litigation. In case the STATE shall, without any fault on its part, be made a party to any litigation commenced by or against the CONTRACTOR in connection with this Contract, the CONTRACTOR shall pay all costs and expenses incurred by or imposed on the STATE, including attorneys' fees.
9. Liquidated Damages. When the CONTRACTOR is given notice of delay or nonperformance as specified in paragraph 13 (Termination for Default) and fails to cure in the time specified, it is agreed the CONTRACTOR shall pay to the STATE the amount, if any, set forth in this Contract per calendar day from the date set for cure until either (i) the STATE reasonably obtains similar goods or services, or both, if the CONTRACTOR is terminated for default, or (ii) until the CONTRACTOR provides the goods or services, or both, if the CONTRACTOR is not terminated for default. To the extent that the CONTRACTOR'S delay or nonperformance is excused under paragraph 13d (Excuse for Nonperformance or Delay Performance), liquidated damages shall not be assessable against the CONTRACTOR. The CONTRACTOR remains liable for damages caused other than by delay.
10. STATE'S Right of Offset. The STATE may offset against any monies or other obligations the STATE owes to the CONTRACTOR under this Contract, any amounts owed to the State of Hawaii by the CONTRACTOR under this Contract or any other contracts, or pursuant to any law or other obligation owed to the State of Hawaii by the CONTRACTOR, including, without limitation, the payment of any taxes or levies of any kind or nature. The STATE will notify the CONTRACTOR in writing of any offset and the nature of such offset. For purposes of this paragraph, amounts owed

to the State of Hawaii shall not include debts or obligations which have been liquidated, agreed to by the CONTRACTOR, and are covered by an installment payment or other settlement plan approved by the State of Hawaii, provided, however, that the CONTRACTOR shall be entitled to such exclusion only to the extent that the CONTRACTOR is current with, and not delinquent on, any payments or obligations owed to the State of Hawaii under such payment or other settlement plan.

11. Disputes. Disputes shall be resolved in accordance with section 103D-703, HRS, and chapter 3-126, Hawaii Administrative Rules ("HAR"), as the same may be amended from time to time.
12. Suspension of Contract. The STATE reserves the right at any time and for any reason to suspend this Contract for any reasonable period, upon written notice to the CONTRACTOR in accordance with the provisions herein.
 - a. Order to stop performance. The Agency procurement officer may, by written order to the CONTRACTOR, at any time, and without notice to any surety, require the CONTRACTOR to stop all or any part of the performance called for by this Contract. This order shall be for a specified

period not exceeding sixty (60) days after the order is delivered to the CONTRACTOR, unless the parties agree to any further period. Any such order shall be identified specifically as a stop performance order issued pursuant to this section. Stop performance orders shall include, as appropriate: (1) A clear description of the work to be suspended; (2) Instructions as to the issuance of further orders by the CONTRACTOR for material or services; (3) Guidance as to action to be taken on subcontracts; and (4) Other instructions and suggestions to the CONTRACTOR for minimizing costs. Upon receipt of such an order, the CONTRACTOR shall forthwith comply with its terms and suspend all performance under this Contract at the time stated, provided, however, the CONTRACTOR shall take all reasonable steps to minimize the occurrence of costs allocable to the performance covered by the order during the period of performance stoppage. Before the stop performance order expires, or within any further period to which the parties shall have agreed, the Agency procurement officer shall either:
 - (1) Cancel the stop performance order; or
 - (2) Terminate the performance covered by such order as provided in the termination for default provision or the termination for convenience provision of this Contract.
 - b. Cancellation or expiration of the order. If a stop performance order issued under this section is cancelled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the CONTRACTOR shall have the right to resume performance. An appropriate adjustment shall be made in the delivery schedule or contract price, or both, and the Contract shall be modified in writing accordingly, if:
 - (1) The stop performance order results in an increase in the time required for, or in the CONTRACTOR'S cost properly allocable to, the performance of any part of this Contract; and
 - (2) The CONTRACTOR asserts a claim for such an adjustment within thirty (30) days after the end of the period of performance stoppage; provided that, if the Agency procurement officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this Contract.
 - c. Termination of stopped performance. If a stop performance order is not cancelled and the performance covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop performance order shall be allowable by

adjustment or otherwise.

- d. Adjustment of price. Any adjustment in contract price made pursuant to this paragraph shall be determined in accordance with the price adjustment provision of this Contract.

13. Termination for Default.

- a. Default. If the CONTRACTOR refuses or fails to perform any of the provisions of this Contract with such diligence as will ensure its completion within the time specified in this Contract, or any extension thereof, otherwise fails to timely satisfy the Contract provisions, or commits any other substantial breach of this Contract, the Agency procurement officer may notify the CONTRACTOR in writing of the delay or non-performance and if not cured in ten (10) days or any longer time specified in writing by the Agency procurement officer, such officer may terminate the CONTRACTOR'S right to proceed with the Contract or such part of the Contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency procurement officer may procure similar goods or services in a manner and upon the terms deemed appropriate by the Agency procurement officer. The CONTRACTOR shall continue performance of the Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
- b. CONTRACTOR'S duties. Notwithstanding termination of the Contract and subject to any directions from the Agency procurement officer, the CONTRACTOR shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the CONTRACTOR in which the STATE has an interest.
- c. Compensation. Payment for completed goods and services delivered and accepted by the STATE shall be at the price set forth in the Contract. Payment for the protection and preservation of property shall be in an amount agreed upon by the CONTRACTOR and the Agency procurement officer. If the parties fail to agree, the Agency procurement officer shall set an amount subject to the CONTRACTOR'S rights under chapter 3-126, HAR. The STATE may withhold from amounts due the CONTRACTOR such sums as the Agency procurement officer deems to be necessary to protect the STATE against loss because of outstanding liens or claims and to reimburse the STATE for the excess costs expected to be incurred by the STATE in procuring similar goods and services.
- d. Excuse for nonperformance or delayed performance. The CONTRACTOR shall not be in default by reason of any failure in performance of this Contract in accordance with its terms, including any failure by the CONTRACTOR to make progress in the prosecution of the performance hereunder which endangers such performance, if the CONTRACTOR has notified the Agency procurement officer within fifteen (15) days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of a public enemy; acts of the State and any other governmental body in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the CONTRACTOR shall not be deemed to be in default, unless the goods and services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the requirements of the Contract. Upon request of the CONTRACTOR, the Agency procurement officer shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the CONTRACTOR'S progress and performance would have met the terms of the Contract, the delivery schedule shall be revised accordingly, subject to the rights of the STATE under this Contract. As used in this paragraph, the term "subcontractor" means subcontractor at any tier.

- e. Erroneous termination for default. If, after notice of termination of the CONTRACTOR'S right to proceed under this paragraph, it is determined for any reason that the CONTRACTOR was not in default under this paragraph, or that the delay was excusable under the provisions of subparagraph 13d, "Excuse for nonperformance or delayed performance," the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to paragraph 14.
- f. Additional rights and remedies. The rights and remedies provided in this paragraph are in addition to any other rights and remedies provided by law or under this Contract.

14. Termination for Convenience.

- a. Termination. The Agency procurement officer may, when the interests of the STATE so require, terminate this Contract in whole or in part, for the convenience of the STATE. The Agency procurement officer shall give written notice of the termination to the CONTRACTOR specifying the part of the Contract terminated and when termination becomes effective.
- b. CONTRACTOR'S obligations. The CONTRACTOR shall incur no further obligations in connection with the terminated performance and on the date(s) set in the notice of termination the CONTRACTOR will stop performance to the extent specified. The CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. The CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance subject to the STATE'S approval. The Agency procurement officer may direct the CONTRACTOR to assign the CONTRACTOR'S right, title, and interest under terminated orders or subcontracts to the STATE. The CONTRACTOR must still complete the performance not terminated by the notice of termination and may incur obligations as necessary to do so.
- c. Right to goods and work product. The Agency procurement officer may require the CONTRACTOR to transfer title and deliver to the STATE in the manner and to the extent directed by the Agency procurement officer:
 - (1) Any completed goods or work product; and
 - (2) The partially completed goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the CONTRACTOR has specifically produced or specially acquired for the performance of the terminated part of this Contract.

The CONTRACTOR shall, upon direction of the Agency procurement officer, protect and preserve property in the possession of the CONTRACTOR in which the STATE has an interest. If the Agency procurement officer does not exercise this right, the CONTRACTOR shall use best efforts to sell such goods and manufacturing materials. Use of this paragraph in no way implies that the STATE has breached the Contract by exercise of the termination for convenience provision.

- d. Compensation.
 - (1) The CONTRACTOR shall submit a termination claim specifying the amounts due because of the termination for convenience together with the cost or pricing data, submitted to the extent required by chapter 3-122, HAR, bearing on such claim. If the CONTRACTOR fails to file a termination claim within one year from the effective date of termination, the Agency procurement officer may pay the CONTRACTOR, if at all, an amount set in accordance with subparagraph 14d(3) below.
 - (2) The Agency procurement officer and the CONTRACTOR may agree to a settlement provided the CONTRACTOR has filed a termination claim supported by

cost or pricing data submitted as required and that the settlement does not exceed the total Contract price plus settlement costs reduced by payments previously made by the STATE, the proceeds of any sales of goods and manufacturing materials under subparagraph 14c, and the Contract price of the performance not terminated.

- (3) Absent complete agreement under subparagraph 14d(2) the Agency procurement officer shall pay the CONTRACTOR the following amounts, provided payments agreed to under subparagraph 14d(2) shall not duplicate payments under this subparagraph for the following:
 - (A) Contract prices for goods or services accepted under the Contract;
 - (B) Costs incurred in preparing to perform and performing the terminated portion of the performance plus a fair and reasonable profit on such portion of the performance, such profit shall not include anticipatory profit or consequential damages, less amounts paid or to be paid for accepted goods or services; provided, however, that if it appears that the CONTRACTOR would have sustained a loss if the entire Contract would have been completed, no profit shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss;
 - (C) Costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to subparagraph 14b. These costs must not include costs paid in accordance with subparagraph 14d(3)(B);
 - (D) The reasonable settlement costs of the CONTRACTOR, including accounting, legal, clerical, and other expenses reasonably necessary for the preparation of settlement claims and supporting data with respect to the terminated portion of the Contract and for the termination of subcontracts thereunder, together with reasonable storage, transportation, and other costs incurred in connection with the protection or disposition of property allocable to the terminated portion of this Contract. The total sum to be paid the CONTRACTOR under this subparagraph shall not exceed the total Contract price plus the reasonable settlement costs of the CONTRACTOR reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under subparagraph 14d(2), and the contract price of performance not terminated.
- (4) Costs claimed, agreed to, or established under subparagraphs 14d(2) and 14d(3) shall be in accordance with Chapter 3-123 (Cost Principles) of the Procurement Rules.

15. Claims Based on the Agency Procurement Officer's Actions or Omissions.

- a. Changes in scope. If any action or omission on the part of the Agency procurement officer (which term includes the designee of such officer for purposes of this paragraph 15) requiring performance changes within the scope of the Contract constitutes the basis for a claim by the CONTRACTOR for additional compensation, damages, or an extension of time for completion, the CONTRACTOR shall continue with performance of the Contract in compliance with the directions or orders of such officials, but by so doing, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, damages, or an extension of time for completion; provided:
 - (1) Written notice required. The CONTRACTOR shall give written notice to the Agency procurement officer:

- (A) Prior to the commencement of the performance involved, if at that time the CONTRACTOR knows of the occurrence of such action or omission;
 - (B) Within thirty (30) days after the CONTRACTOR knows of the occurrence of such action or omission, if the CONTRACTOR did not have such knowledge prior to the commencement of the performance; or
 - (C) Within such further time as may be allowed by the Agency procurement officer in writing.
- (2) Notice content. This notice shall state that the CONTRACTOR regards the act or omission as a reason which may entitle the CONTRACTOR to additional compensation, damages, or an extension of time. The Agency procurement officer, upon receipt of such notice, may rescind such action, remedy such omission, or take such other steps as may be deemed advisable in the discretion of the Agency procurement officer;
 - (3) Basis must be explained. The notice required by subparagraph 15a(1) describes as clearly as practicable at the time the reasons why the CONTRACTOR believes that additional compensation, damages, or an extension of time may be remedies to which the CONTRACTOR is entitled; and
 - (4) Claim must be justified. The CONTRACTOR must maintain and, upon request, make available to the Agency procurement officer within a reasonable time, detailed records to the extent practicable, and other documentation and evidence satisfactory to the STATE, justifying the claimed additional costs or an extension of time in connection with such changes.
- b. CONTRACTOR not excused. Nothing herein contained, however, shall excuse the CONTRACTOR from compliance with any rules or laws precluding any state officers and CONTRACTOR from acting in collusion or bad faith in issuing or performing change orders which are clearly not within the scope of the Contract.
 - c. Price adjustment. Any adjustment in the price made pursuant to this paragraph shall be determined in accordance with the price adjustment provision of this Contract.
16. Costs and Expenses. Any reimbursement due the CONTRACTOR for per diem and transportation expenses under this Contract shall be subject to chapter 3-123 (Cost Principles), HAR, and the following guidelines:
- a. Reimbursement for air transportation shall be for actual cost or coach class air fare, whichever is less.
 - b. Reimbursement for ground transportation costs shall not exceed the actual cost of renting an intermediate-sized vehicle.
 - c. Unless prior written approval of the HOPA is obtained, reimbursement for subsistence allowance (i.e., hotel and meals, etc.) shall not exceed the applicable daily authorized rates for inter-island or out-of-state travel that are set forth in the current Governor's Executive Order authorizing adjustments in salaries and benefits for state officers and employees in the executive branch who are excluded from collective bargaining coverage.
17. Payment Procedures: Final Payment: Tax Clearance.
- a. Original invoices required. All payments under this Contract shall be made only upon submission by the CONTRACTOR of original invoices specifying the amount due and certifying that services requested under the Contract have been performed by the CONTRACTOR according to the Contract.

- b. Subject to available funds. Such payments are subject to availability of funds and allotment by the Director of Finance in accordance with chapter 37, HRS. Further, all payments shall be made in accordance with and subject to chapter 40, HRS.
- c. Prompt payment.
 - (1) Any money, other than retainage, paid to the CONTRACTOR shall be disbursed to subcontractors within ten (10) days after receipt of the money in accordance with the terms of the subcontract; provided that the subcontractor has met all the terms and conditions of the subcontract and there are no bona fide disputes; and
 - (2) Upon final payment to the CONTRACTOR, full payment to the subcontractor, including retainage, shall be made within ten (10) days after receipt of the money; provided that there are no bona fide disputes over the subcontractor's performance under the subcontract.
- d. Final payment. Final payment under this Contract shall be subject to sections 103-53 and 103D-328, HRS, which require a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid. Further, in accordance with section 3-122-112, HAR, CONTRACTOR shall provide a certificate affirming that the CONTRACTOR has remained in compliance with all applicable laws as required by this section.

18. Federal Funds. If this Contract is payable in whole or in part from federal funds, CONTRACTOR agrees that, as to the portion of the compensation under this Contract to be payable from federal funds, the CONTRACTOR shall be paid only from such funds received from the federal government, and shall not be paid from any other funds. Failure of the STATE to receive anticipated federal funds shall not be considered a breach by the STATE or an excuse for nonperformance by the CONTRACTOR.

19. Modifications of Contract.

- a. In writing. Any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract permitted by this Contract shall be made by written amendment to this Contract, signed by the CONTRACTOR and the STATE, provided that change orders shall be made in accordance with paragraph 20 herein.
- b. No oral modification. No oral modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract shall be permitted.
- c. Agency procurement officer. By written order, at any time, and without notice to any surety, the Agency procurement officer may unilaterally order of the CONTRACTOR:
 - (A) Changes in the work within the scope of the Contract; and
 - (B) Changes in the time of performance of the Contract that do not alter the scope of the Contract work.
- d. Adjustments of price or time for performance. If any modification increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, an adjustment shall be made and this Contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined, where applicable, in accordance with the price adjustment clause of this Contract or as negotiated.

- e. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if written modification of the Contract is not made prior to final payment under this Contract.
 - f. Claims not barred. In the absence of a written contract modification, nothing in this clause shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under this Contract or for a breach of contract.
 - g. Head of the purchasing agency approval. If this is a professional services contract awarded pursuant to section 103D-303 or 103D-304, HRS, any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract which increases the amount payable to the CONTRACTOR by at least \$25,000.00 and ten per cent (10%) or more of the initial contract price, must receive the prior approval of the head of the purchasing agency.
 - h. Tax clearance. The STATE may, at its discretion, require the CONTRACTOR to submit to the STATE, prior to the STATE'S approval of any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract, a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid.
 - i. Sole source contracts. Amendments to sole source contracts that would change the original scope of the Contract may only be made with the approval of the CPO. Annual renewal of a sole source contract for services should not be submitted as an amendment.
20. Change Order. The Agency procurement officer may, by a written order signed only by the STATE, at any time, and without notice to any surety, and subject to all appropriate adjustments, make changes within the general scope of this Contract in any one or more of the following:
- (1) Drawings, designs, or specifications, if the goods or services to be furnished are to be specially provided to the STATE in accordance therewith;
 - (2) Method of delivery; or
 - (3) Place of delivery.
- a. Adjustments of price or time for performance. If any change order increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, whether or not changed by the order, an adjustment shall be made and the Contract modified in writing accordingly. Any adjustment in the Contract price made pursuant to this provision shall be determined in accordance with the price adjustment provision of this Contract. Failure of the parties to agree to an adjustment shall not excuse the CONTRACTOR from proceeding with the Contract as changed, provided that the Agency procurement officer promptly and duly makes the provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, or any extension of time for completion.
 - b. Time period for claim. Within ten (10) days after receipt of a written change order under subparagraph 20a, unless the period is extended by the Agency procurement officer in writing, the CONTRACTOR shall respond with a claim for an adjustment. The requirement for a timely written response by CONTRACTOR cannot be waived and shall be a condition precedent to the assertion of a claim.
 - c. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment

hereunder shall be allowed if a written response is not given prior to final payment under this Contract.

- d. Other claims not barred. In the absence of a change order, nothing in this paragraph 20 shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under the Contract or for breach of contract.

21. Price Adjustment.

- a. Price adjustment. Any adjustment in the contract price pursuant to a provision in this Contract shall be made in one or more of the following ways:

- (1) By agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;
- (2) By unit prices specified in the Contract or subsequently agreed upon;
- (3) By the costs attributable to the event or situation covered by the provision, plus appropriate profit or fee, all as specified in the Contract or subsequently agreed upon;
- (4) In such other manner as the parties may mutually agree; or
- (5) In the absence of agreement between the parties, by a unilateral determination by the Agency procurement officer of the costs attributable to the event or situation covered by the provision, plus appropriate profit or fee, all as computed by the Agency procurement officer in accordance with generally accepted accounting principles and applicable sections of chapters 3-123 and 3-126, HAR.

- b. Submission of cost or pricing data. The CONTRACTOR shall provide cost or pricing data for any price adjustments subject to the provisions of chapter 3-122, HAR.

22. Variation in Quantity for Definite Quantity Contracts. Upon the agreement of the STATE and the CONTRACTOR, the quantity of goods or services, or both, if a definite quantity is specified in this Contract, may be increased by a maximum of ten per cent (10%); provided the unit prices will remain the same except for any price adjustments otherwise applicable; and the Agency procurement officer makes a written determination that such an increase will either be more economical than awarding another contract or that it would not be practical to award another contract.

23. Changes in Cost-Reimbursement Contract. If this Contract is a cost-reimbursement contract, the following provisions shall apply:

- a. The Agency procurement officer may at any time by written order, and without notice to the sureties, if any, make changes within the general scope of the Contract in any one or more of the following:

- (1) Description of performance (Attachment 1);
- (2) Time of performance (i.e., hours of the day, days of the week, etc.);
- (3) Place of performance of services;
- (4) Drawings, designs, or specifications when the supplies to be furnished are to be specially manufactured for the STATE in accordance with the drawings, designs, or specifications;
- (5) Method of shipment or packing of supplies; or

(6) Place of delivery.

- b. If any change causes an increase or decrease in the estimated cost of, or the time required for performance of, any part of the performance under this Contract, whether or not changed by the order, or otherwise affects any other terms and conditions of this Contract, the Agency procurement officer shall make an equitable adjustment in the (1) estimated cost, delivery or completion schedule, or both; (2) amount of any fixed fee; and (3) other affected terms and shall modify the Contract accordingly.
- c. The CONTRACTOR must assert the CONTRACTOR'S rights to an adjustment under this provision within thirty (30) days from the day of receipt of the written order. However, if the Agency procurement officer decides that the facts justify it, the Agency procurement officer may receive and act upon a proposal submitted before final payment under the Contract.
- d. Failure to agree to any adjustment shall be a dispute under paragraph 11 of this Contract. However, nothing in this provision shall excuse the CONTRACTOR from proceeding with the Contract as changed.
- e. Notwithstanding the terms and conditions of subparagraphs 23a and 23b, the estimated cost of this Contract and, if this Contract is incrementally funded, the funds allotted for the performance of this Contract, shall not be increased or considered to be increased except by specific written modification of the Contract indicating the new contract estimated cost and, if this contract is incrementally funded, the new amount allotted to the contract.

24. Confidentiality of Material.

- a. All material given to or made available to the CONTRACTOR by virtue of this Contract, which is identified as proprietary or confidential information, will be safeguarded by the CONTRACTOR and shall not be disclosed to any individual or organization without the prior written approval of the STATE.
- b. All information, data, or other material provided by the CONTRACTOR to the STATE shall be subject to the Uniform Information Practices Act, chapter 92F, HRS.

25. Publicity. The CONTRACTOR shall not refer to the STATE, or any office, agency, or officer thereof, or any state employee, including the HOPA, the CPO, the Agency procurement officer, or to the services or goods, or both, provided under this Contract, in any of the CONTRACTOR'S brochures, advertisements, or other publicity of the CONTRACTOR. All media contacts with the CONTRACTOR about the subject matter of this Contract shall be referred to the Agency procurement officer.

26. Ownership Rights and Copyright. The STATE shall have complete ownership of all material, both finished and unfinished, which is developed, prepared, assembled, or conceived by the CONTRACTOR pursuant to this Contract, and all such material shall be considered "works made for hire." All such material shall be delivered to the STATE upon expiration or termination of this Contract. The STATE, in its sole discretion, shall have the exclusive right to copyright any product, concept, or material developed, prepared, assembled, or conceived by the CONTRACTOR pursuant to this Contract.

27. Liens and Warranties. Goods provided under this Contract shall be provided free of all liens and provided together with all applicable warranties, or with the warranties described in the Contract documents, whichever are greater.

28. Audit of Books and Records of the CONTRACTOR. The STATE may, at reasonable times and places, audit the books and records of the CONTRACTOR, prospective contractor, subcontractor, or prospective subcontractor which are related to:

- a. The cost or pricing data, and
- b. A state contract, including subcontracts, other than a firm fixed-price contract.

29. Cost or Pricing Data. Cost or pricing data must be submitted to the Agency procurement officer and timely certified as accurate for contracts over \$100,000 unless the contract is for a multiple-term or as otherwise specified by the Agency procurement officer. Unless otherwise required by the Agency procurement officer, cost or pricing data submission is not required for contracts awarded pursuant to competitive sealed bid procedures.

If certified cost or pricing data are subsequently found to have been inaccurate, incomplete, or noncurrent as of the date stated in the certificate, the STATE is entitled to an adjustment of the contract price, including profit or fee, to exclude any significant sum by which the price, including profit or fee, was increased because of the defective data. It is presumed that overstated cost or pricing data increased the contract price in the amount of the defect plus related overhead and profit or fee. Therefore, unless there is a clear indication that the defective data was not used or relied upon, the price will be reduced in such amount.

30. Audit of Cost or Pricing Data. When cost or pricing principles are applicable, the STATE may require an audit of cost or pricing data.

31. Records Retention.

- (1) Upon any termination of this Contract or as otherwise required by applicable law, CONTRACTOR shall, pursuant to chapter 487R, HRS, destroy all copies (paper or electronic form) of personal information received from the STATE.
- (2) The CONTRACTOR and any subcontractors shall maintain the files, books, and records that relate to the Contract, including any personal information created or received by the CONTRACTOR on behalf of the STATE, and any cost or pricing data, for at least three (3) years after the date of final payment under the Contract. The personal information shall continue to be confidential and shall only be disclosed as permitted or required by law. STANDARD TERMS AND CONDITIONS - RFP

ACCEPTANCE OF CONTRACT

- a. By submitting a response to this RFP, offeror accepts the contract included in Prerequisites. Much of the language included in the contract reflects the requirements of Montana law.
- b. Offerors requesting additions or exceptions to the contract terms, shall submit them to the Q & A board by the date and time specified for questions submission. A request must be accompanied by an explanation why the exception is being sought and what specific effect it will have on the offeror's ability to respond to the RFP or perform the contract. The State reserves the right to address nonmaterial requests for exceptions to the contract language with the highest scoring offeror during contract negotiation.
- c. The State shall identify any revisions to the contract language either in the Q & A Board or in an addendum to this RFP. The addendum will apply to all offerors submitting a response to this RFP. The State will determine any changes to the contract.

ACCEPTANCE/REJECTION OF PROPOSALS

The State reserves the right to accept or reject any or all proposals, wholly or in part, and to make awards in any manner deemed in the best interest of the State.

ALTERATION OF SOLICITATION DOCUMENT

In the event of inconsistencies or contradictions between language contained in the State's solicitation document and a vendor's response, the language contained in the State's original solicitation document will prevail. Intentional manipulation and/or alteration of solicitation document language will result in the vendor's disqualification and possible debarment.

AUTHORITY

The RFP is issued under 18-4-304, Montana Code Annotated (MCA) and Administrative Rules Montana (ARM) 2.5.602. The RFP process is a procurement option allowing the award to be based on stated evaluation criteria. The RFP states the relative importance of all evaluation criteria. The State shall use only the evaluation criteria outlined in this RFP.

CLASSIFICATION AND EVALUATION OF PROPOSALS:

- a. Initial Classification of Proposals as Responsive or Nonresponsive. The State shall initially classify all proposals as either "responsive" or "non-responsive" (ARM 2.5.602). The State may deem a proposal nonresponsive if: (1) any of the required information is not provided; (2) the submitted price is found to be excessive or inadequate as measured by the RFP criteria; or (3) the proposal does not meet RFP requirements and specifications. The State may find any proposal to be nonresponsive at any time during the procurement process. If the State deems a proposal nonresponsive, it will not be considered further.
- b. Determination of Responsibility. The procurement officer shall determine whether an offeror has met the standards of responsibility consistent with ARM 2.5.407. An offeror may be determined non-responsible at any time during the procurement process if information surfaces that supports a non-responsible determination. If an offeror is found non-responsible, the procurement officer will notify the offeror by mail. The determination will be included within the procurement file.
- c. Evaluation of Proposals. An evaluator/evaluation committee shall evaluate all responsive proposals based on stated criteria and recommend an award to the highest scoring offeror. After receipt of proposals and prior to the recommendation of award, the procurement officer may initiate discussions with one or more offerors should clarification be necessary. In scoring against stated criteria, the evaluator/evaluation committee may consider such factors as accepted industry standards and a comparative evaluation of other proposals in terms of differing price and quality. These scores will be used to determine the most advantageous offering to the State. If an evaluation committee meets to deliberate and evaluate the proposals, the public may attend and observe the evaluation committee deliberations.
- d. Completeness of Proposals. Selection and award will be based on the offeror's proposal and other items outlined in this RFP. Proposals may not include references to information such as Internet websites, unless specifically requested. Information or materials presented by offerors outside the formal response or subsequent discussion, negotiation, or best and final offer, if requested, will not be considered, will have no bearing on any award, and may result in the offeror being disqualified from further consideration.
- e. Best and Final Offer. Under Montana law, the procurement officer may request a best and final offer if additional information is required to make a final decision. The State reserves the right to request a best and final offer based on price/cost alone. Please note that the State rarely requests a best and final offer on cost alone.
- f. Evaluator/Evaluation Committee Recommendation for Contract Award. The evaluator/evaluation committee shall provide a written recommendation for contract award to the procurement officer that contains the scores, justification, and rationale for the decision. The procurement officer shall review the recommendation to ensure its compliance with the RFP process and criteria before concurring with the evaluator's/evaluation committee's recommendation.
- g. Request for Documents Notice. Upon concurrence with the evaluator's/evaluation committee's recommendation, the procurement officer shall request from the highest scoring offeror the required documents and information, such as insurance documents, contract performance security, an electronic copy of any requested material (e.g., proposal, response to clarification questions, and/or best and final offer), and any other necessary documents. Receipt of this request does not constitute a contract and no work may begin until a contract signed by all parties is in place. The procurement officer shall notify all other offerors of the State's selection.
- h. Contract Execution. Upon receipt of all required materials, a contract incorporating the highest scoring offeror's proposal will be provided to the highest scoring offeror for signature. The highest scoring offeror shall accept and agree to all material requirements contained in contract included with this RFP. If the highest scoring offeror does not accept all material

requirements, the State may move to the next highest scoring offeror or cancel the RFP. Work under the contract may begin when the contract is signed by all parties.

CONTRACT PERIOD

The contract period is stated in the contract included with this RFP. The parties may mutually agree to a renewal of this contract in any interval that is advantageous to the State. Renewal is solely the State's option.

DEBARMENT

Contractor certifies, by submitting this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or Agency. If Contractor cannot certify this statement, attach a written explanation for review by the State.

FAILURE TO COMPLY WITH INSTRUCTIONS

Offerors failing to comply with the instructions for Submitting a Proposal may be subject to point deductions. Further, the State may deem a proposal nonresponsive or disqualify it from further consideration if it does not follow the response format, is difficult to read or understand, or is missing requested information.

FAILURE TO HONOR PROPOSAL

If an offeror to whom a contract is awarded refuses to accept the award (PO/contract) or fails to deliver in accordance with the contract terms and conditions, the department may, in its discretion, suspend the offeror for a period of time from entering into any contracts with the State of Montana.

OFFER IN EFFECT FOR 120 CALENDAR DAYS

Offeror agrees that it may not modify, withdraw, or cancel its proposal for a 120-day period following the RFP closing date or receipt of best and final offer, if required.

OFFEROR COMPETITION

The State encourages free and open competition to obtain quality, cost-effective services and supplies. The State designs specifications, proposal requests, and conditions to accomplish this objective.

OFFEROR'S REPRESENTATIONS – SIGNATORY AUTHORITY, AND NO COLLUSION

Offeror represents that the person submitting the response to this RFP is authorized to legally bind the offeror to the proposal. The offeror may not withdraw the proposal for lack of authority. FOR CONTRACTS AND GRANTS
REVISED DECEMBER 15, 2017**

- 1. Definitions:** For purposes of this Attachment, “Party” shall mean the Contractor, Grantee or Subrecipient, with whom the State of Vermont is executing this Agreement and consistent with the form of the Agreement. “Agreement” shall mean the specific contract or grant to which this form is attached.
- 2. Entire Agreement:** This Agreement, whether in the form of a contract, State-funded grant, or Federally-funded grant, represents the entire agreement between the parties on the subject matter. All prior agreements, representations, statements, negotiations, and understandings shall have no effect.
- 3. Governing Law, Jurisdiction and Venue; No Waiver of Jury Trial:** This Agreement will be governed by the laws of the State of Vermont. Any action or proceeding brought by either the State or the Party in connection with this Agreement shall be brought and enforced in the Superior Court of the State of Vermont, Civil Division, Washington Unit. The Party irrevocably submits to the jurisdiction of this court for any action or proceeding regarding this Agreement. The Party agrees that it must first exhaust any applicable administrative remedies with respect to any cause of action that it may have against the State with regard to its performance under this Agreement. Party agrees that the State shall not be required to submit to binding arbitration or waive its right to a jury trial.
- 4. Sovereign Immunity:** The State reserves all immunities, defenses, rights or actions arising out of the State’s sovereign status or under the Eleventh Amendment to the United States Constitution. No waiver of the State’s immunities, defenses, rights or actions shall be implied or otherwise deemed to exist by reason of the State’s entry into this Agreement.
- 5. No Employee Benefits For Party:** The Party understands that the State will not provide any individual retirement benefits, group life insurance, group health and dental insurance, vacation or sick leave, workers compensation or other benefits or services available to State employees, nor will the State

withhold any state or Federal taxes except as required under applicable tax laws, which shall be determined in advance of execution of the Agreement. The Party understands that all tax returns required by the Internal Revenue Code and the State of Vermont, including but not limited to income, withholding, sales and use, and rooms and meals, must be filed by the Party, and information as to Agreement income will be provided by the State of Vermont to the Internal Revenue Service and the Vermont Department of Taxes.

6. Independence: The Party will act in an independent capacity and not as officers or employees of the State.

7. Defense and Indemnity: The Party shall defend the State and its officers and employees against all third party claims or suits arising in whole or in part from any act or omission of the Party or of any agent of the Party in connection with the performance of this Agreement. The State shall notify the Party in the event of any such claim or suit, and the Party shall immediately retain counsel and otherwise provide a complete defense against the entire claim or suit. The State retains the right to participate at its own expense in the defense of any claim. The State shall have the right to approve all proposed settlements of such claims or suits.

After a final judgment or settlement, the Party may request recoupment of specific defense costs and may file suit in Washington Superior Court requesting recoupment. The Party shall be entitled to recoup costs only upon a showing that such costs were entirely unrelated to the defense of any claim arising from an act or omission of the Party in connection with the performance of this Agreement.

The Party shall indemnify the State and its officers and employees if the State, its officers or employees become legally obligated to pay any damages or losses arising from any act or omission of the Party or an agent of the Party in connection with the performance of this Agreement.

Notwithstanding any contrary language anywhere, in no event shall the terms of this Agreement or any document furnished by the Party in connection with its performance under this Agreement obligate the State to (1) defend or indemnify the Party or any third party, or (2) otherwise be liable for the expenses or reimbursement, including attorneys' fees, collection costs or other costs of the Party or any third party.

8. Insurance: Before commencing work on this Agreement the Party must provide certificates of insurance to show that the following minimum coverages are in effect. It is the responsibility of the Party to maintain current certificates of insurance on file with the State through the term of this Agreement. No warranty is made that the coverages and limits listed Attachment C - Page 2 of 5

herein are adequate to cover and protect the interests of the Party for the Party's operations. These are solely minimums that have been established to protect the interests of the State.

Workers Compensation: With respect to all operations performed, the Party shall carry workers' compensation insurance in accordance with the laws of the State of Vermont. Vermont will accept an out-of-state employer's workers' compensation coverage while operating in Vermont provided that the insurance carrier is licensed to write insurance in Vermont and an amendatory endorsement is added to the policy adding Vermont for coverage purposes. Otherwise, the party shall secure a Vermont workers' compensation policy, if necessary to comply with Vermont law.

If performance of this Agreement involves construction, or the transport of persons or hazardous materials, limits of coverage shall not be less than \$1,000,000 combined single limit.

Additional Insured. The General Liability and Property Damage coverages required for performance of this Agreement shall include the State of Vermont and its agencies, departments, officers and employees as Additional Insureds. If performance of this Agreement involves construction, or the transport of persons or hazardous materials, then the required Automotive Liability coverage shall include the State of Vermont and its agencies, departments, officers and employees as Additional Insureds. 9. Reliance by the State on Representations: All payments by the State under this Agreement will be made in reliance upon the accuracy of all representations made by the Party in accordance with this Agreement, including but not limited to bills, invoices, progress reports and other proofs of work.

10. False Claims Act: The Party acknowledges that it is subject to the Vermont False Claims Act as set forth in 32 V.S.A. § 630 *et seq.* If the Party violates the Vermont False Claims Act it shall be liable to the State for civil penalties, treble damages and the costs of the investigation and prosecution of such violation, including attorney's fees, except as the same may be reduced by a court of competent jurisdiction. The Party's liability to the State under the False Claims Act shall not be limited notwithstanding any agreement of the State to otherwise limit Party's liability.

11. Whistleblower Protections: The Party shall not discriminate or retaliate against one of its employees or agents for disclosing information concerning a violation of law, fraud, waste, abuse of authority or acts threatening health or safety, including but not limited to allegations concerning the False Claims Act. The records described shall be made available at reasonable times during the period of the Agreement and for three years thereafter or for any period required by law for inspection by any authorized representatives of the State or Federal Government. If any litigation, claim, or audit is started before the expiration of the three-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.

14. Fair Employment Practices and Americans with Disabilities Act: Party agrees to comply with the requirement of 21 V.S.A. Chapter 5, Subchapter 6, relating to fair employment practices, to the full extent applicable. 19. Sub-Agreements: Party shall not assign, subcontract or subgrant the performance of this Agreement or any portion thereof to any other Party without the prior written approval of the State. Party shall be responsible and liable to the State for all acts or omissions of subcontractors and any other person performing work under this Agreement pursuant to an agreement with Party or any subcontractor. In the case this Agreement is a contract with a total cost in excess of \$250,000, the Party shall provide to the State a list of all proposed subcontractors and subcontractors' subcontractors, together with the

identity of those subcontractors' workers compensation insurance providers, and additional required or requested information, as applicable, in accordance with Section 32 of The Vermont Recovery and Reinvestment Act of 2009 (Act No. 54).

20. No Gifts or Gratuities: Party shall not give title or possession of anything of substantial value (including property, currency, travel and/or education programs) to any officer or employee of the State during the term of this Agreement.

21. Copies: Party shall use reasonable best efforts to ensure that all written reports prepared under this Agreement are printed using both sides of the paper.

22. Certification Regarding Debarment: Party certifies under pains and penalties of perjury that, as of the date that this Agreement is signed, neither Party nor Party’s principals (officers, directors, owners, or partners) are presently debarred, suspended, proposed for debarment, declared ineligible or excluded from participation in Federal programs, or programs supported in whole or in part by Federal funds.

Party further certifies under pains and penalties of perjury that, as of the date that this Agreement is signed, Party is not presently debarred, suspended, nor named on the State’s debarment list at:

<http://bgs.vermont.gov/purchasing/debarment>

23. Conflict of Interest: Party shall fully disclose, in writing, any conflicts of interest or potential conflicts of interest.

24. Confidentiality: Party acknowledges and agrees that this Agreement and any and all information obtained by the State from the Party in connection with this Agreement are subject to the State of Vermont Access to Public Records Act, 1 V.S.A. § 315 et seq.

25. Force Majeure: Neither the State nor the Party shall be liable to the other for any failure or delay of performance of any obligations under this Agreement to the extent such failure or delay shall have been wholly or principally caused by acts or events beyond its reasonable control rendering performance illegal or impossible (excluding strikes or lock-outs) (“Force Majeure”). Where Force Majeure is asserted, the nonperforming party must prove that it made all reasonable efforts to remove, eliminate or minimize such cause of delay or damages, diligently pursued performance of its obligations under this Agreement, substantially fulfilled all non-excused obligations, and timely notified the other party of the likelihood or actual occurrence of an event described in this paragraph.

26. Marketing: Party shall not refer to the State in any publicity materials, information pamphlets, press releases, research reports, advertising, sales promotions, trade shows, or marketing materials or similar communications to third parties except with the prior written consent of the State.

27. Termination:

A. Non-Appropriation: If this Agreement extends into more than one fiscal year of the State (July 1 to June 30), and if appropriations are insufficient to support this Agreement, the State may cancel at the end of the fiscal year, or otherwise upon the expiration of existing appropriation authority. In the case that this Agreement is a Grant that is funded in whole or in part by Federal funds, and in the event Federal funds become unavailable or reduced, the State may suspend or cancel this Grant immediately, and the State shall have no obligation to pay Subrecipient from State revenues.

B. Termination for Cause: Either party may terminate this Agreement if a party materially breaches its obligations under this Agreement, and such breach is not cured within thirty (30) days after delivery of the non-breaching party’s notice or such longer time as the non-breaching party may specify in the notice.

C. Termination Assistance: Upon nearing the end of the final term or termination of this Agreement, without respect to cause, the Party shall take all reasonable and prudent measures to facilitate any transition required by the State. All State property, tangible and intangible, shall be returned to the State upon demand at no additional cost to the State in a format acceptable to the State.

28. Continuity of Performance: In the event of a dispute between the Party and the State, each party will continue to perform its obligations under this Agreement during the resolution of the dispute until this Agreement is terminated in accordance with its terms. Attachment C - Page 5 of 5

29. No Implied Waiver of Remedies: Either party's delay or failure to exercise any right, power or remedy under this Agreement shall not impair any such right, power or remedy, or be construed as a waiver of any such right, power or remedy. All waivers must be in writing.

30. State Facilities: If the State makes space available to the Party in any State facility during the term of this Agreement for purposes of the Party's performance under this Agreement, the Party shall only use the space in accordance with all policies and procedures governing access to and use of State facilities which shall be made available upon request. State facilities will be made available to Party on an "AS IS, WHERE IS" basis, with no warranties whatsoever.

31. Requirements Pertaining Only to Federal Grants and Subrecipient Agreements: If this Agreement is a grant that is funded in whole or in part by Federal funds:

If a single audit is not required, only the Subrecipient Annual Report is required.

The Subrecipient Annual Report is required to be submitted within 45 days, whether or not a Single Audit is required.

B. Internal Controls: In accordance with 2 CFR Part II, §200.303, the Party must establish and maintain effective internal control over the Federal award to provide reasonable assurance that the Party is managing the Federal award in compliance with Federal statutes, regulations, and the terms and conditions of the award. These internal controls should be in compliance with guidance in "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States and the "Internal Control Integrated Framework", issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

C. Mandatory Disclosures: In accordance with 2 CFR Part II, §200.113, Party must disclose, in a timely manner, in writing to the State, all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. Failure to make required disclosures may result in the imposition of sanctions which may include disallowance of costs incurred, withholding of payments, termination of the Agreement, suspension/debarment, etc.

32. Requirements Pertaining Only to State-Funded Grants:

A. Certification Regarding Use of State Funds: If Party is an employer and this Agreement is a State-funded grant in excess of \$1,001, Party certifies that none of these State funds will be used to interfere with or restrain the exercise of Party's employee's rights with respect to unionization.

B. Good Standing Certification (Act 154 of 2016): If this Agreement is a State-funded grant, Party hereby represents: (i) that it has signed and provided to the State the form prescribed by the Secretary of Administration for purposes of certifying that it is in good standing (as provided in Section 13(a)(2) of Act 154) with the Agency of Natural Resources and the Agency of Agriculture, Food and Markets, or otherwise explaining the circumstances surrounding the inability to so certify, and (ii) that it will comply with the requirements stated therein.

This Rider shall in all cases take precedence over the Provider Documents and any ambiguity, conflict or inconsistency in the Provider Documents shall be resolved in accordance with this order of precedence.

Such Uses and Disclosures are limited to the minimum necessary to provide the *Services*. *Contractor Business Associate* shall not Use or Disclose *PHI* in any manner that would constitute a violation of the Privacy Rule if Used or Disclosed by Covered Entity in that manner. *Contractor Business Associate* may not Use or Disclose *PHI* other than as permitted or required by this Agreement or as *Required by Law* and only in compliance with applicable laws and regulations.

3.2 *Contractor Business Associate* may make *PHI* available to its Workforce, *Agent and Subcontractor* who need Access to perform *Services* as permitted by this Agreement, provided that *Contractor Business Associate* makes them aware of the Use and Disclosure restrictions in this Agreement and binds them to comply with such restrictions.

Such Uses and Disclosures of *PHI* must be of the minimum amount necessary to accomplish such purposes.

5. **Electronic PHI Security Rule Obligations.**

5.1 With respect to *Electronic PHI*, *Contractor Business Associate* shall:

a) Implement and use Administrative, Physical, and Technical Safeguards in compliance with 45 CFR sections 164.308, 164.310, and 164.312;

b) Identify in writing upon request from the State all the safeguards that it uses to protect such Electronic *PHI*;

c) Prior to any Use or Disclosure of *Electronic PHI* by an *Agent* or *Subcontractor*, ensure that any *Agent* or *Subcontractor* to whom it provides *Electronic PHI* agrees in writing to implement and use Administrative, Physical, and Technical Safeguards that reasonably and appropriately protect the Confidentiality, Integrity and Availability of Electronic *PHI*. The written agreement must identify the State as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the Use or Disclosure of *Electronic PHI*, and be provided to the State upon request;

d) Report in writing to Covered Entity any *Successful Security Incident* or *Targeted Security Incident* as soon as it becomes aware of such incident and in no event later than five (5) business days after such awareness. Such report shall be timely made notwithstanding the fact that little information may be known at the time of the report and need only include such information then available;

e) Following such report, provide Covered Entity with the information necessary for Covered Entity to investigate any such incident; and

f) Continue to provide to Covered Entity information concerning the incident as it becomes available to it.

5.2 Reporting *Unsuccessful Security Incidents*. *Contractor Business Associate* shall provide Covered Entity upon written request a *Report* that: (a) identifies the categories of Unsuccessful Security Incidents; (b) indicates whether *Business Associate* believes its current defensive security measures are adequate to address all Unsuccessful Security Incidents, given the scope and nature of such attempts; and (c) if the security measures are not adequate, the measures *Business Associate* will implement to address the security inadequacies.

5.3 *Contractor Business Associate* shall comply with any reasonable policies and procedures Covered Entity implements to obtain compliance under the Security Rule.

6. **Reporting and Documenting Breaches.**

6.1 *Contractor Business Associate* shall *Report* to Covered Entity any *Breach* of Unsecured *PHI* as soon as it, or any Person to whom *PHI* is disclosed under this Agreement, becomes aware of any such *Breach*, and in no event later than five (5) business days after such awareness, except when a law enforcement official determines that a notification would impede a criminal investigation or cause damage to national security. Such *Report* shall be timely made notwithstanding the fact that little information may be known at the time of the *Report* and need only include such information then available.

6.2 Following the *Report* described in 6.1, *Contractor Business Associate* shall conduct a risk assessment and provide it to Covered Entity with a summary of the event. *Contractor Business Associate* shall provide Covered Entity with the names of any *Individual* whose Unsecured *PHI* has been, or is reasonably believed to have been, the subject of the *Breach* and any other available information that is required to be given to the affected *Individual*, as set forth in 45 CFR § 164.404(c). Upon request by Covered Entity, *Contractor Business Associate* shall provide information necessary for Covered Entity to investigate the impermissible Use or Disclosure. *Contractor Business Associate*

shall continue to provide to Covered Entity information concerning the *Breach* as it becomes available.

6.3 When *Contractor Business Associate* determines that an impermissible acquisition, Access, Use or Disclosure of *PHI* for which it is responsible is not a *Breach*, and therefore does not necessitate notice to the impacted *Individual*, it shall document its assessment of risk, conducted as set forth in 45 CFR § 402(2). *Contractor Business Associate* shall make its risk assessment available to Covered Entity upon request. It shall include 1) the name of the person making the assessment, 2) a brief summary of the facts, and 3) a brief statement of the reasons supporting the determination of low probability that the *PHI* had been compromised.

7. **Mitigation and Corrective Action.** *Contractor Business Associate* shall mitigate, to the extent practicable, any harmful effect that is known to it of an impermissible Use or Disclosure of *PHI*, even if the impermissible Use or Disclosure does not constitute a *Breach*. *Contractor Business Associate* shall draft and carry out a plan of corrective action to address any incident of impermissible Use or Disclosure of *PHI*. *Contractor Business Associate* shall make its mitigation and corrective action plans available to the State upon request.

8. **Providing Notice of Breaches.**

8.1 If Covered Entity determines that a *Breach of PHI* for which *Contractor Business Associate* was responsible, and if requested by Covered Entity, *Contractor Business Associate* shall provide notice to the *Individual* whose *PHI* has been the subject of the *Breach*. When so requested, *Contractor Business Associate* shall consult with Covered Entity about the timeliness, content and method of notice, and shall receive Covered Entity's approval concerning these elements. *Contractor Business Associate* shall be responsible for the cost of notice and related remedies.

8.2 The notice to affected *Individuals* shall be provided as soon as reasonably possible and in no case later than 60 calendar days after *Contractor Business Associate* reported the *Breach* to Covered Entity.

8.3 The notice to affected *Individuals* shall be written in plain language and shall include, to the extent possible, 1) a brief description of what happened, 2) a description of the types of Unsecured *PHI* that were involved in the *Breach*, 3) any steps *Individuals* can take to protect themselves from potential harm resulting from the *Breach*, 4) a brief description of what the *Contractor Business Associate* is doing to investigate the *Breach* to mitigate harm to *Individuals* and to protect against further *Breaches*, and 5) contact

procedures for *Individuals* to ask questions or obtain additional information, as set forth in 45 CFR § 164.404(c).

8.4 *Contractor Business Associate* shall notify *Individuals* of *Breaches* as specified in 45 CFR § 164.404(d) (methods of *Individual* notice). In addition, when a *Breach* involves more than 500 residents of Vermont, *Contractor Business Associate* shall, if requested by Covered Entity, notify prominent media outlets serving Vermont, following the requirements set forth in 45 CFR § 164.406.

9. **Agreements with Subcontractors.** *Contractor Business Associate* shall enter into a Business Associate Agreement with any *Subcontractor* to whom it provides *PHI* to require compliance with HIPAA and to ensure *Contractor Business Associate* and *Subcontractor* comply with the terms and conditions of this Agreement. *Contractor Business Associate* must enter into such written agreement before any Use by or Disclosure of *PHI* to such *Subcontractor*. The written agreement must identify the State as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the Use or Disclosure of *PHI*. *Contractor Business Associate* shall provide a copy of the written agreement it enters into with a *Subcontractor* to the State upon request. *Contractor Business Associate* may not make any Disclosure of *PHI* to any *Subcontractor* without prior written consent of the State.

10. **Access to PHI.** *Contractor Business Associate* shall provide access to *PHI* in a Designated Record Set to Covered Entity or as directed by Covered Entity to an *Individual* to meet the requirements under 45 CFR § 164.524. *Contractor Business Associate* shall provide such access in the time and manner reasonably designated by Covered Entity. Within five (5) business days, *Contractor Business Associate* shall forward to Covered Entity for handling any request for Access to *PHI* that *Contractor Business Associate* directly receives from an *Individual*.

11. **Amendment of PHI.** *Contractor Business Associate* shall make any amendments to *PHI* in a Designated Record Set that Covered Entity directs or agrees to pursuant to 45 CFR § 164.526, whether at the request of Covered Entity or an *Individual*. *Contractor Business Associate* shall make such amendments in the time and manner reasonably designated by Covered Entity. Within five (5) business days, *Contractor Business Associate* shall forward to Covered Entity for handling any request for amendment to *PHI* that *Contractor Business Associate* directly receives from an *Individual*.

12. **Accounting of Disclosures.** *Contractor Business Associate* shall document Disclosures of *PHI* and all information related to such Disclosures as would be required for Covered Entity to respond to a request by an *Individual* for an accounting of disclosures of *PHI* in accordance with 45 CFR § 164.528. *Contractor Business Associate* shall provide such information to Covered Entity or as directed by Covered Entity to an *Individual*, to permit Covered Entity to respond to an accounting request. *Contractor Business Associate* shall provide such information in the time

and manner reasonably designated by Covered Entity. Within five (5) business days, *Contractor Business Associate* shall forward to Covered Entity for handling any accounting request that *Contractor Business Associate* directly receives from an *Individual*.

13. Books and Records. Subject to the attorney-client and other applicable legal privileges, *Contractor Business Associate* shall make its internal practices, books, and records (including policies and procedures and *PHI*) relating to the Use and Disclosure of *PHI* available to the Secretary of Health and Human Services (“HHS”) in the time and manner designated by the Secretary. *Contractor Business Associate* shall make the same information available to Covered Entity, upon Covered Entity’s request, in the time and manner reasonably designated by Covered Entity so that Covered Entity may determine whether *Contractor Business Associate* is in compliance with this Agreement.

14. Termination.

14.1 This Agreement commences on the Effective Date and shall remain in effect until terminated by the State or until all the *PHI* is destroyed or returned to Covered Entity subject to Section 18.8.

14.2 If *Contractor Business Associate* fails to comply with any material term of this Agreement, the State may provide an opportunity for *Contractor Business Associate* to cure. If *Contractor Business Associate* does not cure within the time specified by the State or if the State believes that cure is not reasonably possible, the State may immediately terminate the Contract without incurring liability or penalty for such termination. If neither termination nor cure are feasible, Covered Entity shall report the breach to the Secretary of HHS. The State has the right to seek to cure such failure by *Contractor Business Associate*. Regardless of whether the State cures, it retains any right or remedy available at law, in equity, or under the Contract and *Contractor Business Associate* retains its responsibility for such failure.

15. Return/Destruction of PHI.

15.1 *Contractor Business Associate* in connection with the expiration or termination of the Contract shall return or destroy, at the discretion of the Covered Entity, *PHI* that *Contractor Business Associate* still maintains in any form or medium (including electronic) within thirty (30) days after such expiration or termination. *Contractor Business Associate* shall not retain any copies of *PHI*. *Contractor Business Associate* shall certify in writing and report to Covered Entity (1) when all *PHI* has been returned or destroyed and (2) that *Contractor Business Associate* does not continue to maintain any *PHI*. *Contractor Business Associate* is to provide this certification during this thirty (30) day period.

15.2 *Contractor Business Associate* shall report to Covered Entity any conditions that *Contractor Business Associate* believes make the return or destruction of *PHI* infeasible. *Contractor Business Associate* shall extend the protections of this Agreement to such *PHI* and limit further Uses and Disclosures to those purposes that make the return or destruction infeasible for so long as *Contractor Business Associate* maintains such *PHI*.

16. **Penalties.** *Contractor Business Associate* understands that: (a) there may be civil or criminal penalties for misuse or misappropriation of *PHI* and (b) violations of this Agreement may result in notification by Covered Entity to law enforcement officials and regulatory, accreditation, and licensure organizations.

17. **Training.** *Contractor Business Associate* understands its obligation to comply with the law and shall provide appropriate training and education to ensure compliance with this Agreement. If requested by the State, *Contractor Business Associate* shall participate in Covered Entity's training regarding the Use, Confidentiality, and Security of *PHI*; however, participation in such training shall not supplant nor relieve *Contractor Business Associate* of its obligations under this Agreement to independently assure compliance with the law and this Agreement.

18. **Miscellaneous.**

18.1 In the event of any conflict or inconsistency between the terms of this Agreement and the terms of the Contract, the terms of this Agreement shall govern with respect to its subject matter. Otherwise, the terms of the Contract continue in effect.

18.2 Each party shall cooperate with the other party to amend this Agreement from time to time as is necessary for such party to comply with the Privacy Rule, the Security Rule, or any other standards promulgated under HIPAA. This Agreement may not be amended, except by a writing signed by all parties hereto.

18.3 Any ambiguity in this Agreement shall be resolved to permit the parties to comply with the Privacy Rule, Security Rule, or any other standards promulgated under HIPAA.

18.4 In addition to applicable Vermont law, the parties shall rely on applicable federal law (e.g., HIPAA, the Privacy Rule, Security Rule, and HITECH) in construing the meaning and effect of this Agreement.

18.5 *Contractor Business Associate* shall not have or claim any ownership of *PHI*.

18.6 *Contractor Business Associate* shall abide by the terms and conditions of this Agreement with respect to all *PHI* even if some of that information relates to specific services for which *Contractor Business Associate* may not be a “*Contractor Business Associate*” of Covered Entity under the Privacy Rule.

18.7 *Contractor Business Associate* is prohibited from directly or indirectly receiving any remuneration in exchange for an *Individual’s PHI*. *Contractor Business Associate* will refrain from marketing activities that would violate HIPAA, including specifically Section 13406 of the HITECH Act. Reports or data containing *PHI* may not be sold without Covered Entity’s or the affected Individual’s written consent.

18.8 The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it would be infeasible for *Contractor Business Associate* to return or destroy *PHI* as provided in Section 14.2 and (b) the obligation of *Contractor Business Associate* to provide an accounting of disclosures as set forth in Section 12 survives the expiration or termination of this Agreement with respect to accounting requests, if any, made after such expiration or termination.

1. **WASHINGTON’S ELECTRONIC BUSINESS SOLUTIONS (WEBS) SYSTEM:** Within seven (7) days of execution of this Participating Addendum, Contractor shall register in the Washington State Department of Enterprise Services’ Electronic Business Solutions (WEBS) System at [WEBS](#). Contractor shall ensure that all of its information therein is current and accurate and that, throughout the term of the Master Agreement, Contractor shall maintain an accurate profile in WEBS.
2. **WASHINGTON’S STATEWIDE PAYEE DESK:** To be paid for contract sales, Contractors must register with Washington’s Statewide Payee Desk. Washington state agencies cannot make payments to a contractor until it is registered. Registration materials are available here: [Receiving Payment from the State](#).
3. **CONTRACT SALES REPORTING:** Contractor shall report total contract sales quarterly to Enterprise Services, as set forth below.
 - a. **REPORTING.** Contractor shall report quarterly Contract sales in Enterprise Services’ [Contract Sales Reporting System](#). Enterprise Services will provide Contractor with a login password and a vendor number.
 - b. **DATA.** Each sales report must identify every authorized Purchasing Entity by name as it is known to Enterprise Services and its total combined sales amount invoiced during the reporting period (i.e., sales of an entire agency or political subdivision, not its individual subsections). The “Miscellaneous” option may be used only with prior approval by Enterprise Services. Upon request, Contractor shall provide contact information for all authorized Purchasing Entities specified herein during the term of this Participating Addendum. Refer sales reporting questions to the Primary Contact set forth below. If there are no contract sales during the reporting period, Contractor must report zero sales.

c. **DUE DATES FOR CONTRACT SALES REPORTING.** Quarterly Contract Sales Reports must be submitted electronically by the following deadlines for all sales invoiced during the applicable calendar quarter:

For Calendar Quarter Ending	Contract Sales Report Due
March 31	April 30
June 30	July 31
September 30	October 31
December 31	January 31

4. **VENDOR MANAGEMENT FEE:** Contractor shall pay to Enterprise Services a vendor management fee (“VMF”) of 1.5 percent on the purchase price for all contract sales (the purchase price is the total invoice price less applicable sales tax) authorized by this Participating Addendum.

a. The sum owed by Contractor to Enterprise Services as a result of the VMF is calculated as follows:

Amount owed to Enterprise Services = Total contract sales invoiced (not including sales tax) x .0150.

b. The VMF must be rolled into Contractor’s current pricing. The VMF must not be shown as a separate line item on any invoice unless specifically requested and approved by Enterprise Services.

c. Enterprise Services will invoice Contractor quarterly based on contract sales reported by Contractor. Contractor shall not remit payment until it receives an invoice from Enterprise Services. Contractor’s VMF payment to Enterprise Services must reference the following:

- This Washington Master Contract No.: _____
- The NASPO Master Agreement No.: _____
- The year and quarter for which the VMF is being remitted, and
- Contractor’s name as set forth in this Contract, if not already included on the face of the check.

d. Contractor’s failure accurately and timely to report total net sales, to submit usage reports, or remit payment of the VMF to Enterprise Services, may be cause for suspension or termination of this Participating Addendum or the exercise of any other remedies as provided by law.

e. Enterprise Services reserves the right, upon thirty (30) days advance written notice, to increase, reduce, or eliminate the VMF for subsequent purchases.

f. For purposes of the VMF, the parties agree that the initial management fee is included in the pricing. Therefore, any increase or reduction of the management fee must be reflected in contract pricing commensurate with the adjustment.

5. **CONTRACTOR REPRESENTATIONS AND WARRANTIES:** Contractor makes each of the following representations and warranties as of the effective date of this Participating Addendum and at the time any order is placed pursuant to the Master Contract. If, at the time of any such order, Contractor cannot make such representations and warranties, Contractor shall not process any orders and shall, within three (3) business days notify Enterprise Services, in writing, of such breach.

a. **WAGE VIOLATIONS.** Contractor represents and warrants that, during the term of this Master Contract and the three (3) year period immediately preceding the award of the Master Contract, it is not determined, by a final and binding citation and notice of assessment issued by the Washington Department of Labor and Industries or through

a civil judgment entered by a court of limited or general jurisdiction, to be in willful violation of any provision of Washington state wage laws set forth in RCW chapters 49.46, 49.48, or 49.52.

b. **PAY EQUALITY.** Contractor represents and warrants that, among its workers, similarly employed individuals are compensated as equals. For purposes of this provision, employees are similarly employed if the individuals work for the same employer, the performance of the job requires comparable skill, effort, and responsibility, and the jobs are performed under similar working conditions. Job titles alone are not determinative of whether employees are similarly employed. Contractor may allow differentials in compensation for its workers based in good faith on any of the following: a seniority system; a merit system; a system that measures earnings by quantity or quality of production; a bona fide job-related factor or factors; or a bona fide regional difference in compensation levels. A bona fide job-related factor or factors may include, but not be limited to, education, training, or experience that is: consistent with business necessity; not based on or derived from a gender-based differential; and accounts for the entire differential. A bona fide regional difference in compensation level must be consistent with business necessity; not based on or derived from a gender-based differential; and account for the entire differential. Notwithstanding any provision to the contrary, upon breach of warranty and Contractor's failure to provide satisfactory evidence of compliance within thirty (30) days, Enterprise Services may suspend or terminate this Participating Addendum and Master Contract and any Purchaser hereunder similarly may suspend or terminate its use of the Master Contract and/or any agreement entered into pursuant to this Participating Addendum.

c. **EXECUTIVE ORDER 18-03 – WORKERS' RIGHTS (MANDATORY INDIVIDUAL ARBITRATION).** Contractor represents and warrants, that Contractor does NOT require its employees, as a condition of employment, to sign or agree to mandatory individual arbitration clauses or class or collective action waivers. Contractor further represents and warrants that, during the term of this Master Contract, Contractor shall not, as a condition of employment, require its employees to sign or agree to mandatory individual arbitration clauses or class or collective action waivers.

6. **COMPLIANCE WITH LAW; TAXES, LICENSES, & REGISTRATION:** Contractor shall comply with all applicable law. Prior to making any sales hereunder, if Contractor is not already registered, Contractor shall register to conduct business in the State of Washington and promptly acquire and maintain all necessary licenses and registrations and pay all applicable taxes and fees. In addition, for all sales to Purchasers in the State of Washington, if Contractor does not currently do so, Contractor shall calculate, collect, and remit, as appropriate, the applicable state and local sales tax on all invoices.
